

Registration for Free Need-Based Internet Service from the State of South Carolina

The state of South Carolina is offering free internet hotspots and internet service to eligible homes with school-aged children. Eligibility is based on financial need for those who do not already have internet service. At present, funding for free Internet service has been provided for August - December 2020.

Charleston County School District is committed to helping eligible families receive this service. If you wish to register, please submit this form. T

This survey may only be completed for a child enrolled in a CCSD school or CCSD charter school.

You only need to complete one survey per household.
