Once you are registered you will be able to make changes electronically each year. You can complete necessary athletic forms now! .

▪ **Pre-conditioning**

- Preseason conditioning is crucial to success during the season. June conditioning is when the season is made. If you want to be successful in October, start in June. Contact other team members and run together. It's easier to want to run when you have a running buddy counting on you.

▪ **Practice**

- Voluntary conditioning starts Monday, July 8
- Mandatory practice starts Thursday, August 1
- Practice will be 7:30 am – 9:30 am (M-F) July 8 – August 16
- Practice will be 3:00 pm – 5:00 pm (M-F) starting August 19
- If you ran track this spring take off from running until June 1st or two weeks whichever is longer. Your body needs time to rest.
- Where to meet - meet at the track at the HS, the playground shelter at Dillon Park beach, the shelter at Shelly Wildlife, the township hall at the bike path in Dresden
- We will utilize alternative running sites again this year. The high school, Shelly Wildlife area Dillon Park beach area and the bike path by the township hall. This could change and if it does I will post on Remind.
- Cross country is a sport of repetition so every practice counts, attendance at practices is extremely important
- If you miss a practice, please send a note explaining the absence the following day
- Be prepared to run outside with layers of clothes and durable running shoes.
- Athletes should attend 10 practices before the first meet.

- **Schedule**

- Please see the attached schedule for practice dates and times

- **Parent Meeting**

- There will be a mandatory parent/student meeting on July 30th 6:00pm TVHS café.

- **Fundraiser**

- We are hosting a 5k/10k race at Dillon on July 20th at 7:00 pm. Everyone is needed to help make this a success. Muskingum Multisport has been contracted to help run the meet.
- We will be having our Runathon again this year. It is tentative scheduled for Aug. 8th.

- **Team Camp**

- The HS/MS team will be attending team camp **July 29th**. This is mandatory for all high school athletes and optional for middle school athletes.
- The HS/MS team will be having a team fun day **July 31st**. This is mandatory for all high school athletes and optional for middle school athletes.
- Elementary will be attending a day camp at Dillon **Aug. 6th**.

- **Please sign up for the Remind by texting @ 84b77ba to 81010 for updates and communication, I can contact you and you can contact me. Main form of contact. The athlete and one parent should join.**

Let's have a great cross country season!

Preseason Conditioning Tips Starting June 1

- These tips will help you get ready for a successful cross country season.

Beginning Runners (first year and inexperienced)

- Goal – 10 minutes continuous run. Start with 1 minute of running and 1 minute of walking and work up adding a minute to each run until running for all 10 minutes.
- Goal – guys, 4-5 mile/day by July, girls 2-3 miles/day by July. Start slow with 1-2 miles and build up, too much too soon will result in injury
- A combination of strength training and running is the best way to get in running condition
- Strength training two days per week either by themselves or with short runs (1 mile)
- Build in a day of rest, Saturday or Sunday and a day of active rest on the other, ie, swimming, walking, kayaking, biking

Intermediate Runners (MS returners and returning elementary entering MS, returning HS)

- Goal – 15 minutes continuous run. Start with 5 and work up. A combination of run/walk in the beginning is perfectly acceptable

- Longer runs without strength training three days per week (4-5 miles)
- Long run (6-7) miles every other week
