**Vendor Questions**

1. **Are there any records of the approximate acreage/square feet of either turf or beds of each school?**
  - A. We do not have maps or exact measurements. You are welcome to visit the schools for site verification and measurement as indicated on page 14.
2. **Should this be priced at prevailing wages?**
  - A. Landscaping does **not** require prevailing wages so it is not required to be priced as such. We apologize for any confusion caused by including this in the Bid Request.
3. **How many weeks of service is this for? I know this season will start July 1, however what is the end date? What is the start date for the following year?**
  - A. Typical contract is 12 months from July 1st - June 30th with options to extend monthly or continue multi-year contract as indicated on page 16.
4. **Are there any mowing time restrictions?**
  - A. Mowing is not included in this Bid Request; it is strictly bed care, mulching, tree and shrub care, and sidewalk edging as listed on pages 16-17. Possible time restrictions will be discussed and scheduled with the winning bidder.
5. **Is the expectation that a crew be there every day?**
  - A. No, please see previous question about amounts of required service.
