

## **Español AP: Trabajo de verano 2024-2025**

¡Bienvenidos a la clase de AP!

In order to be ready to hit the ground running in August, and to improve reading and listening comprehension skills, please select two Level 3 or higher e-readers in Flango to read over the summer. Please also complete the multiple choice comprehension questions for the end of each chapter of the books you choose.

You will use the same sign in code that you used during the year this year from Spanish 3. If you do not remember, please contact me and I can look up your log in information.

¡Hasta agosto!

Sra. Rollins
