Dear Students and Parents:

I hope this letter finds you doing well. The purpose of this communication is to inform you of procedures related to this June's Regents Exams.

Our Regents Exam schedule appears on the opposite side of this letter. Due to the administration of these exams, the following procedures will apply to high school operations from Friday, June 14 through Tuesday, June 25:

- Students will only be required to be in school if they have a scheduled exam.
- For exams that begin at 8 am, students should arrive by 7:45. For exams that begin at 12 pm, students should arrive by 11:45.
- Students who are in school but not taking an exam will be required to report to the cafeteria. This includes students who are waiting to take an exam. Students will be permitted to be in an alternate location only if they have received permission from a teacher (example: for a study session).
- Breakfast will be served from 7:15-7:45 in the cafeteria.
- Lunch will be served from 11:00-11:30 in the cafeteria. Students will be asked prior to their morning exams if they will be eating lunch in the cafeteria that day. The last day of lunch service will be Friday, June 21.
- We will provide an additional bus run home each day at 11:30. Buses will depart from the usual location (by the cafeteria). Students will be asked prior to their morning exams if they need a bus ride home at 11:30. There will be no additional bus runs to school provided.

With confirmation that the Regents Examinations will continue to be required for graduation eligibility, it is very important for students to remain focused on academics through the remainder of the school year. Please encourage your child to take advantage of the following opportunities for additional academic support:

- Daily after-school homework assistance in the library with Ms. Snow from 2:30 - 3:30
- After-school review sessions; the schedule is posted on our website at <http://highschool.svcsd.org>
- Academic Intervention Service (AIS) and study halls, scheduled into many students' schedules

If you have any questions about anything related to this June's exams, feel free to contact me or your child's counselor. I can be reached at (315) 839-6315 or bread@svcsd.org. Ms. DeTraglia is the counselor for freshmen and sophomores; you may contact her at (315) 839-6321 or ndetraglia@svcsd.org. Mr. Scialdone is the counselor for juniors and seniors; you may contact him at (315) 839-6320 or pscialdone@svcsd.org.

Thank you for your continued support.

Sincerely,
