

## DETERMINATION OF NONSIGNIFICANCE

Issued with a 14 Day comment period

### Description of Proposal:

This threshold determination analyzes the environmental impacts associated with the following actions, which are so closely related to each other that they are in effect a single action:

1. The adoption of the Snoqualmie Valley School District's 2024 Six Year Capital Facilities Plan by the Snoqualmie Valley School District for the purposes of planning for the facilities needs of the District.
2. The amendment of the King County Comprehensive Plan by King County to include the Snoqualmie Valley School District's 2024 Capital Facilities Plan as part of the Capital Facilities Plan Element of the King County Comprehensive Plan.
3. The amendment of the Comprehensive Plans of the cities of Sammamish, Snoqualmie and North Bend to incorporate the Snoqualmie Valley School District's 2024 Capital Facilities Plan into the Capital Facilities Element of each jurisdiction's Comprehensive Plan.

Proponent: Snoqualmie Valley School District No. 410

### Location of the Proposal:

The Snoqualmie Valley School District includes an area of approximately 400 square miles. The cities of Sammamish, Snoqualmie and North Bend fall within the District's boundaries, as do parts of unincorporated King County.

Lead Agency: Snoqualmie Valley School District is the lead agency pursuant to WAC 197-11-926.

The lead agency for this proposal has determined that the proposal does not have a probable significant adverse environmental impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after a review of the completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340(2). The lead agency will not act on this proposal for 14 days from the date of issue. Comments must be submitted by 12:00 p.m., June 7, 2024. The responsible official will reconsider the DNS based on timely comments and may retain, modify, or, if significant adverse impacts are likely,

withdraw the DNS. If the DNS is retained, it will be final after the expiration of the comment deadline.
