Alicia	Tackitt	EL & Budget	<p>Please vote in the best interest of our students and teachers.</p> <p>Please continue to fund EL- ALL students deserve this high-quality curriculum, not SOME students.</p> <p>Please honor the hard work that teachers have done to implement this curriculum.</p> <p>Please work together and not against each other.</p> <p>Please keep EL and approve this budget.</p> <p>Thank you for being so committed to public education in Charleston County.</p>
Doris	Grant	FY 24 Budget	<p>I am Doris Grant; I am an advocate for Charleston RISE and the students of Charleston County. I want to thank you for approving the FY24 budget, now we are at the final stage, please make sure all eyes are dotted and t's are crossed because we don't want this new school year hearing our budget has a downfall and we are back in front of the school board again. Please make sure the budget is balances correctly and every department is accounted for. Thank you.</p>
Cheri	Simmons Lucas	FY24 Budget	<p>Good evening, my name is Cheri Simmons-Lucas and I am an advocate for Charleston RISE and the student of Charleston County. I am writing today to Welcome our new superintendent Dr. Gallien to our district. Your 100 day plan is quite impressive. As you go through each of your phases</p> <p>Listening- please hear what our community is saying what children needs are.</p> <p>Learning - each child learns at a different level that's why EL is so important for them</p> <p>Leading - give our teachers and administration the support they need</p> <p>Planning - for all schools to be top priority, not just a few but all and every child entering kindergarten thru third grade read on grade level by the fifth grade.</p> <p>Thank you and welcome to Charleston County Schools.</p>
Kim	Clark	7A. Student Outcomes Update	<p>I am a Charleston RISE alum and advocate.</p> <p>I appreciate the efforts of district staff to continuously keep the public updated on the progress of the students in CCSD.</p> <p>In support of our pillar High-Quality School Options For AI I hope to hear about the efforts being made on the part of District Faculty and staff to promote the College & Career Readiness for all students especially students attending Acceleration Schools. These students have the greatest need.</p>
