Principal

August 21, 2023

Dear Academic Magnet High School,

We are excited to welcome all our AMHS students on this Wednesday, August 23rd, 2023! In today's letter, I will cover the process for the first few days of school, locker assignments, updated bus information, some Raptor athletic links, and other helpful links including the CCSD information hotline.

First few days of school- For the first days of school, all students report to the Homeroom class listed on their schedule. We have plenty of support to help direct students to their homeroom's and if a student is not clear about their homeroom, we have that covered too. We will take attendance and focus on some other back-to-school business before transitioning to academic classes for the day. Some of the things that we will discuss in homerooms are-

Student Lockers- Each Academic Magnet High School Student is assigned a hallway locker. Given our A/B schedule and heavy textbooks, a strategically used locker can go a long way towards helping with organization and protecting a student's healthy back. This is one of the items that homeroom teachers will discuss in the opening days of school.

School Bus information- The Charleston County School District School bus information is now available through the [Transportation Tab](#) on the CCSD Webpage. There are features to help find bus stops ([bus stop look-up tool](#)) and get notifications directly regarding routes. Our school code is **H8HH** when using the First View Phone Notification System.

Raptor Athletics- <https://lnk.bio/raptorathletics> is the athletic department's one-stop shop for all things related to Academic Magnet High School's Raptor Athletics. It includes our social media platforms, athletic website, online spirit wear store, and more. Mr. Knauer is our school's athletic director and can be reached at raymond_knauer@charleston.k12.sc.us and 843-746-6376. Go Raptors!

Some other helpful links-

We will also have our colleagues from the CCSD IT Department on campus during student lunches on Wednesday through Friday of this week (8/23-8/25) to assist with all student Wi-Fi and connectivity issues. They will have a "Genius Bar" style set up in the cafeteria during our student lunch period to assist any student who needs support with connectivity, either with a personal device or a school-issued Chromebook.

We look forward to seeing our students on Wednesday morning!

Your proud principal,

Jacob B. Perlmutter
