

COMBINATION WELDER 2024-25

Class Meets: Monday - Friday

Class Time: 8:00 am to 3:00 pm

Instructor: K. Littau 1000 hours - 9 months

This program will teach students to do quality welding for a variety of construction and manufacturing jobs using multiple structural welding techniques. Instruction will cover welding theory and safety, fabrication, layout, print reading, symbols, math, welding codes, metal characteristics/properties, and oxyfuel cutting. Students will learn to perform high-quality welds in accordance with welding procedure specifications used in a variety of welding occupations. They will also gain an introduction to pipe welding skills, using SMAW, GMAW, and GTAW techniques.

TUITION		\$2550.00
1 st Semester	\$1275.00	
2 nd Semester	\$1275.00

Tuition and fees or documentation from your funding agency are due by the first day of class each semester. Students who are enrolled in a program for more than 10 scheduled school days will be responsible for the full semester's tuition and fees, regardless of enrollment or funding status. Out-of-district adult students will pay in-district tuition plus \$1000 for an "out-of-district" fee. Tuition and fees will not change while a student is enrolled in the program.

FUNDING AGENCIES:

Please contact GPTC before issuing a payment for student's tuition and fees.
