

Jennie Moore Elementary

PROJECT TEAM

Construction Management:

Cumming

Project Manager:

Harold Lee

Site Manager:

Randy Grant

Architect:

Jumper Carter Sease Architects

General Contractor:

Thompson Turner Construction

PROJECT COMPLETE

The new facility is approximately 156,000 square feet. The building contains instructional space for Pre-Kindergarten through fifth grade, including Special Education, computer labs, Science / Project labs, Art, Music, and drama rooms, as well as cafeteria, Multi-purpose, administration and support spaces. Included in the design is space for the community to use that can be isolated for after-hours use. The design is to meet LEED certification, and incorporates the latest technology features available to the CCSD. The New Jennie Moore Elementary will share a campus with the New Laing Middle School.

PROJECT DATA

Scope: Construction of a New Elementary School designed for 1200 students, to be built on approximately 26 acres of land behind the existing Jennie Moore School.

Project Budget: \$33.9 million

Schedule:

Design Completion: September 2013

Construction Start: October 2013

Construction Competition: August 2016

Square Footage: 156,000 SF

Site Size: 30 acres (shared)
