PROJECT COMPLETE

The existing 1954 facility, composed of a three-story building and a cafeteria, was totally demolished and the existing three-story 1921 building was selectively demolished. A new 68,000 sf, three-story facility will be constructed and the existing 21,000 sf original 1921 building will be renovated. The new facility will have a capacity for 500 students and will include 27 teaching stations, a Cafeteria, Gymnasium, Media Center, Science and Art spaces.
