D4 Elementary & Primary School Community Meetings October 19, 2023 Comment Sheet Summary

Constituent D4 Community Meetings were held on September 13, 2023 at Lambs Elementary School and September 19, 2023 at Jerry Zucker Middle School of Science. The purpose of these Community Meetings were to inform and receive input on the consolidated school options (including grade and site configurations) from all stakeholders. From the input and feedback received from these Community Meetings, Capital Programs developed and presented a different option to stakeholders on October 19th- one session at Lambs Elementary School and a second session at Hunley Park Elementary School.

There was a combined total of 46 attendees who signed in at the two sessions with representation from 3 community members, 21 parents, 17 CCSD staff members, 1 student, and 4 non identified affiliations. During the October 19th Community Meeting, Option 5 below was presented to attendees.

New Recommendation:

Build a new 500 student Primary School and 600 student Elementary School with shared Common Spaces at the Lambs Campus (Option 5) with the following grade and site configuration:

New Primary School @ Lambs:

500 Students

- Infant/Toddlers
- 3K (Head Start)
- 4K/Child Development
- Exceptional Ed Services (PIC, Speech, OT, etc.)
- Kindergarten
- 1st Grade
- Family Development Center
- (Lambs & Hunley Park)

New Elementary School @ Lambs:

600 Students

- 2nd Grade
- 3rd Grade
- 4th Grade
- 5th Grade
- Self-Contained Special Education
- (Lambs & Hunley Park)

Goodwin ES Remains:

- Infant - 5th Grade
- @Existing Goodwin Campus

This recommendation provides the opportunity to provide new facilities to students, retain principal positions, includes a Family Development Center, and a single parent & bus drop-off location. A lease with Joint Base Charleston is not required for this option.
