

North Charleston Center for Advanced Studies (CAS)

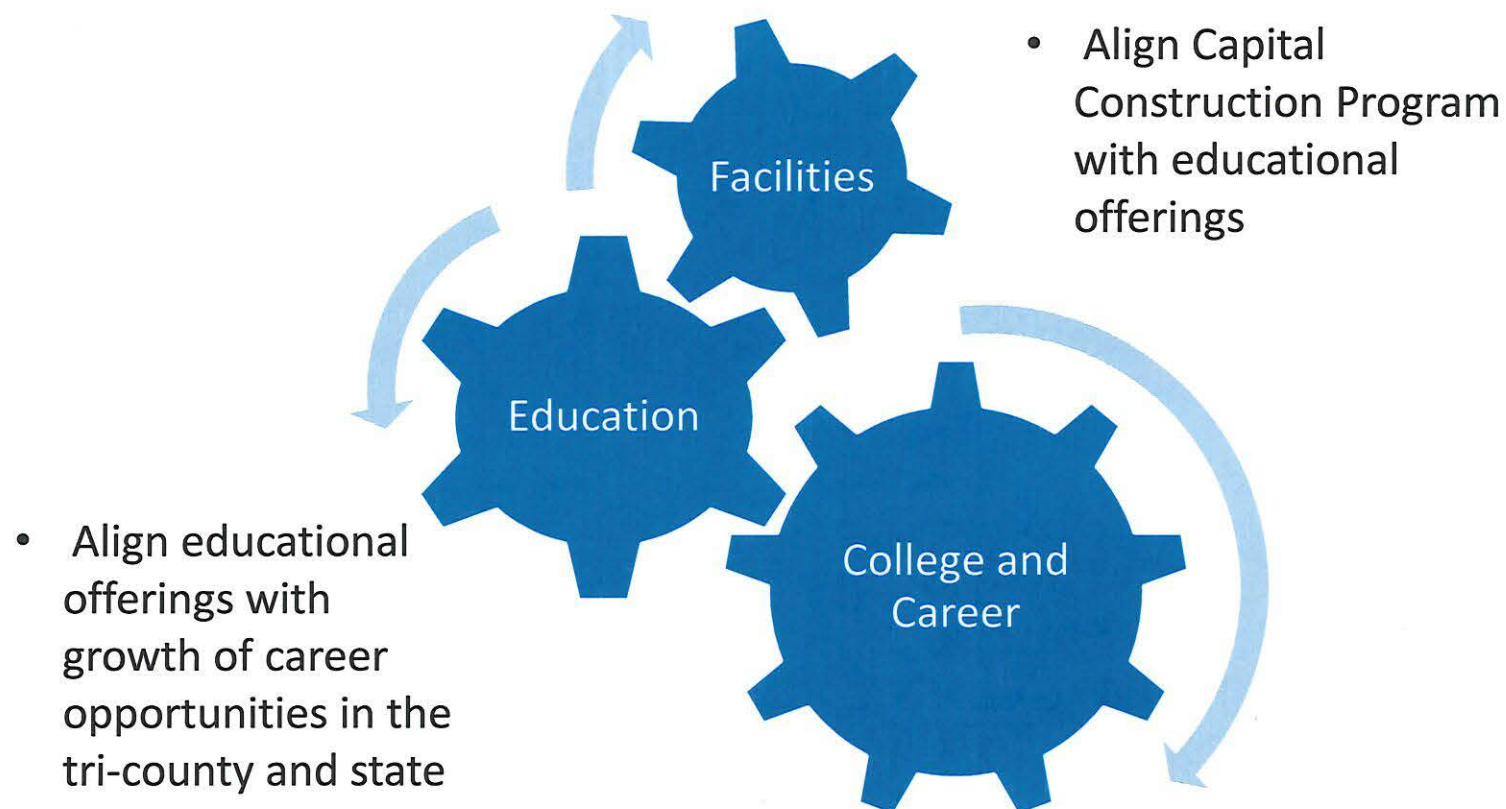

Community Meeting

25 Mar 2017

Sales Tax Referendum (2017-2022)

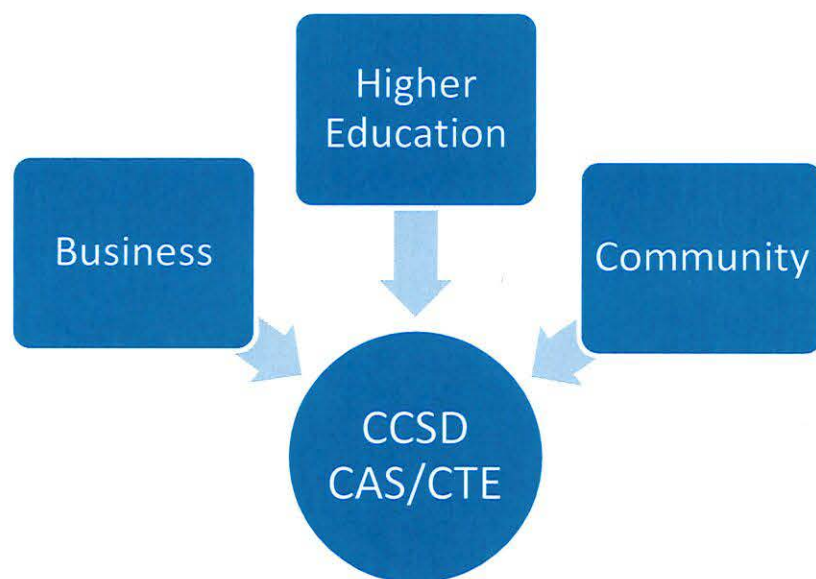

- Construction and Equipping of new North Charleston Center for Advanced Studies
 - Board of Trustees approved budget = \$42.7 million
 - Architect / Engineer selected for design
 - Capacity = 600 students
- Construction and Equipping of new shared high school stadium for North Charleston
 - Board of Trustees approved budget = \$14.2 million

Alignment Opportunity

Program and Facility Goals

- Develop Partnerships

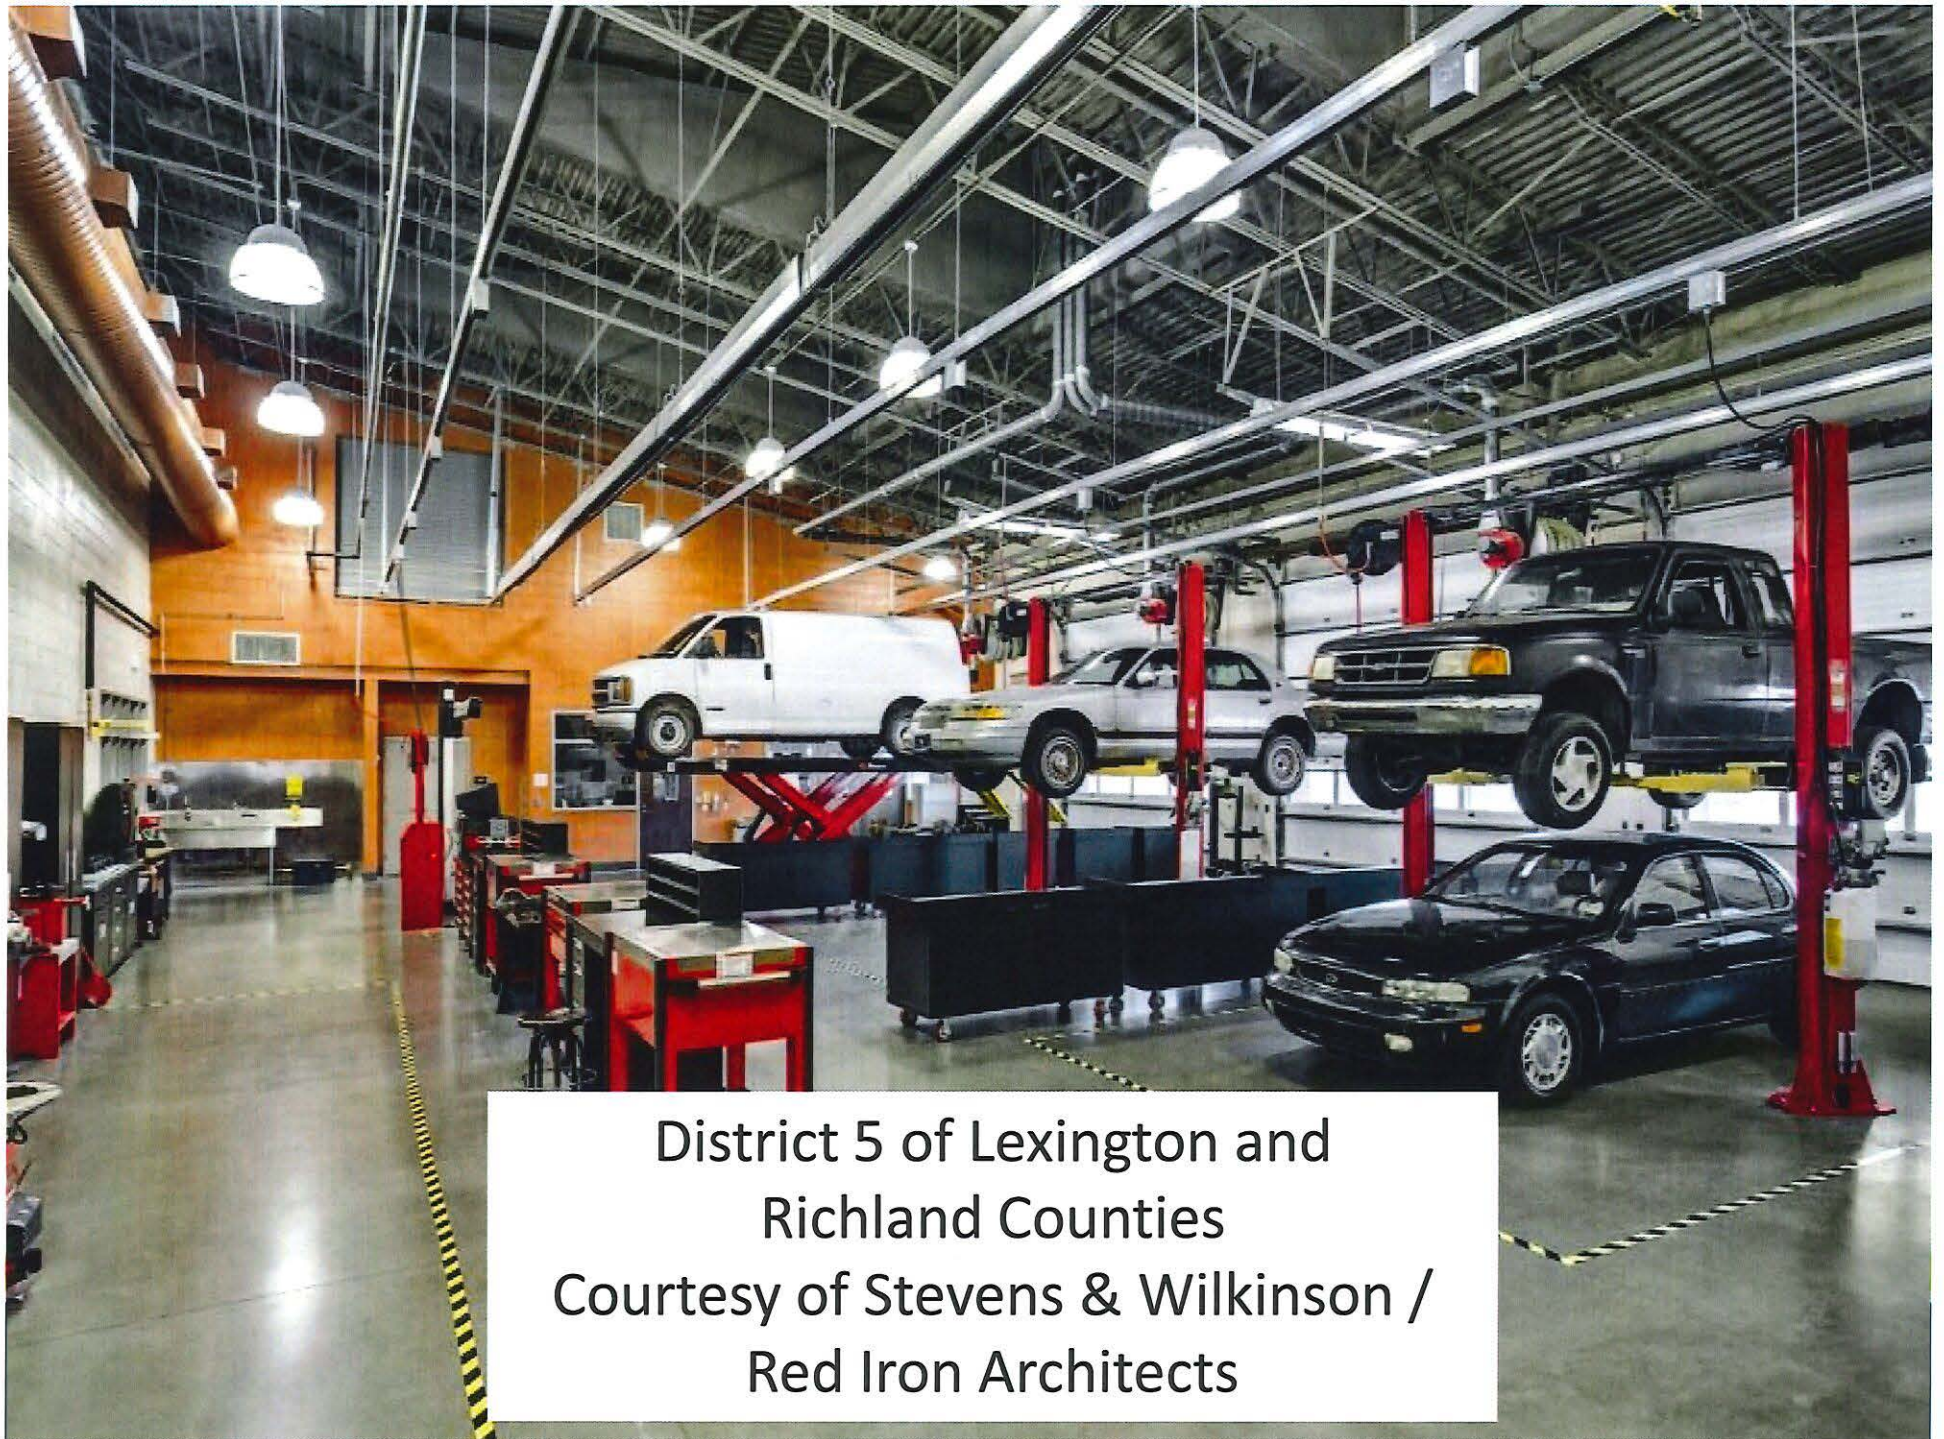

- Other Goals

- Align high school opportunities within regions
- Ensure that new facility can support changing needs
- Where possible implement/begin new program in existing facility

Enrollment

North Charleston High School and Garrett Academy

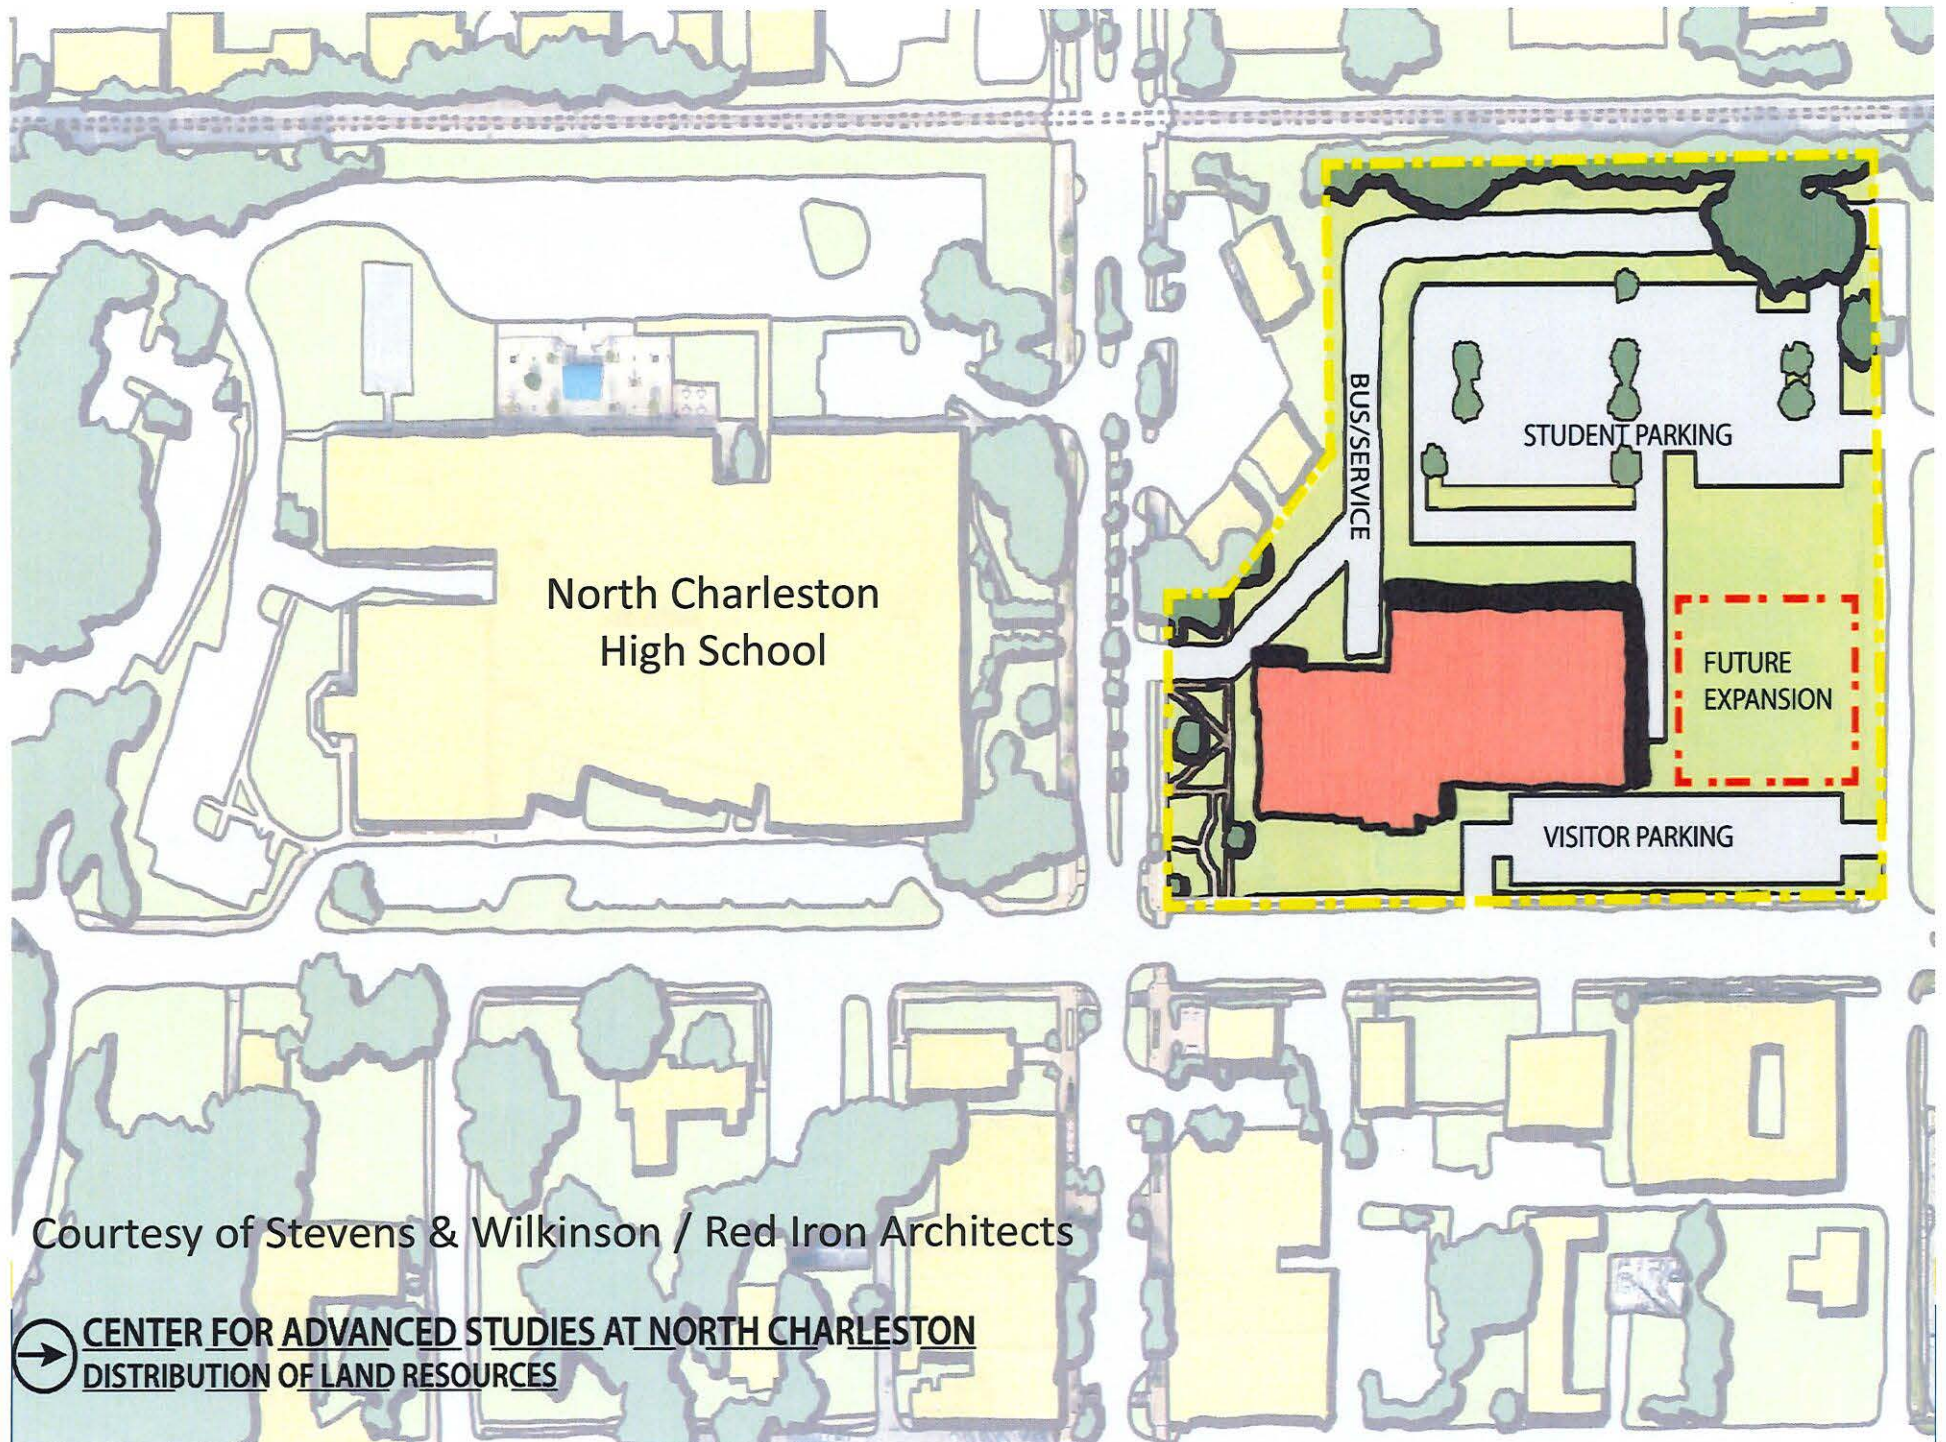

- 243 students zoned for NCHS attend Garrett
- NCHS live-in/attend-in is 41% (498/1,217)

Staff Recommendation

- Locate North Charleston CAS on the High School Campus
 - Synergy with one high school on shared campus
 - Potential industry partners “across the street”
- “Lift and shift” programs from Garrett Academy to North Charleston CAS
- Will need to develop an execution plan to graduate remaining Garrett Academy students

ALL students in North Charleston could have an opportunity to participate in CAS program

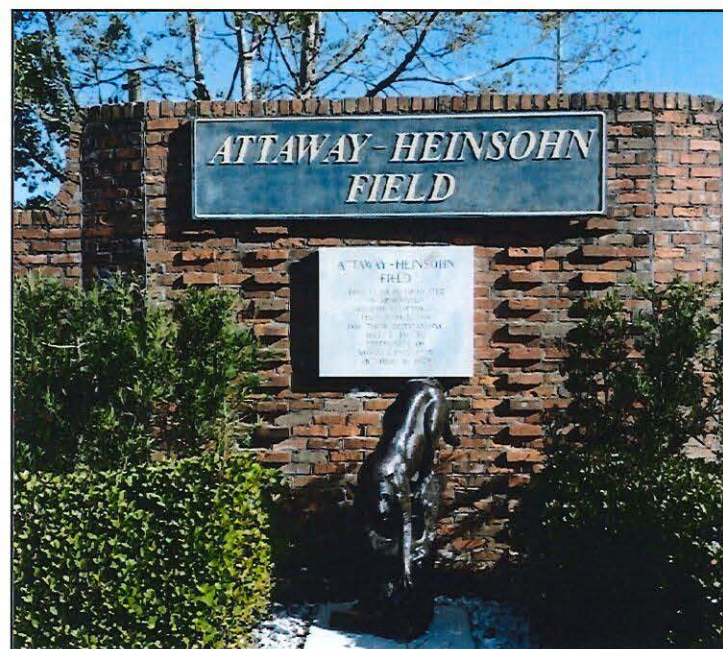

One Possible Look

Remembering our Legacy

- Naming new facilities
 - School Board policy requires Board approval
 - Committee of stakeholders will develop alternatives and make a recommendation

North Charleston CAS Timeline

	2017				2018				2019				2020

Develop educational programs and partnerships																
Building design																
Building construction																
Commissioning and fit out																

Summary – Next Steps

- Continue to gather business, higher ed and community contacts
- Re-establish a CTE advisory Group
 - Initial focus on establishing programs at North Charleston CAS
- Seek Board of Trustees approval on March 27, 2017 on location of North Charleston CAS and relationship with Garrett Academy
