CCSD recognizes Month of the Military Child

Office of Communications

Anita W. Huggins, M.Ed.
Superintendent of Schools

Vanessa L. Denney, M.Ed.
Interim Executive Director of
Communications

Charleston, SC – Charleston County School District (CCSD) recognized April as the Month of the Military Child at the March 25, 2024 Board of Trustees meeting.

Anna Bilbo, Community Coordinator Military Child Education Coalition; Chris Gerry, School Liaison Program Manager for Joint Base Charleston; Jennifer Ohmer, School Liaison Program Manager for Joint Base Charleston; and Sarah Schackelton, Community Coordinator Military Child Education Coalition were present as a proclamation was read to recognize the moment.

The proclamation stated that military youth of today and tomorrow promise to be among the most active and involved populations in our nation's history. As such, CCSD is honored to work with Joint Base Charleston installation personnel to provide support to children of service members as they transition between schools to address their distinct needs and prepare them to graduate as well-rounded citizens ready for college and career.

By ensuring military children are safe and supported in CCSD schools and communities, our men and women in uniform can focus on challenges and their mission. The proclamation concludes with CCSD's commitment to efforts and support that serve to improve the lives of military youth and help pave the way for future generations.

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 50,000 students in 88 schools and specialized programs.

CCSD offers a diverse portfolio of educational options and specialized programs delivered to the students of CCSD through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools and programs. Rich educational opportunities for students include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; military; dual credit; and many more.
