Media Advisory

Charleston Fire Department donates fire engine for CTE course at St. John's High School

Who: Media outlets are welcome and encouraged to attend.

What: Representatives from St. John's High School, Charleston County School District's (CCSD) Career and Technical Education Department, and the Charleston Fire Department (CFD) are available to speak about a new course for students.

St. John's High School's Emergency and Fire Management Services program prepares students for entry-level employment in the field of firefighting, South Carolina Fire Academy certification, and higher educational opportunities.

The CFD has generously donated a fire engine to the school so the students in the class can gain hands-on, working knowledge. This Career and Technical Education course is the first of its kind in the district.

When: Friday, February 9, 2024; 8:30 a.m. to 10:00 a.m.

Where: St. John's High School, 1518 Main Road, Johns Island, SC

For more information, contact CCSD's Office of Communications at (843) 937-6303 or Principal Jermaine Joyner at (843) 559-6400.

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all of its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 50,000 students in 88 schools and specialized programs.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools. Options include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; and military.
