Andy Pruitt, 843-937-6583

Media Advisory

Parent, Student & Community Meeting

Who: Students, family members, community members, and media outlets are welcome and encouraged to attend.

Office of Communications

Anita W. Huggins, M.Ed.
Acting Superintendent of Schools

Vanessa L. Denney, M.Ed.
Interim Executive Director of Communications

What: Charleston County School District's (CCSD) Department of School Support is hosting a Parent, Student & Community Meeting, which will provide an overview of various district departments and allow participants to ask questions. There will also be a separate but simultaneous session for CCSD students designed to allow students to engage in constructive, open dialogue on school and district climate and how their school and district can further support their success.

To register, [visit this page of the district website](#); there is no cost to attend. However, event seating is capped at 100 participants to ensure a meaningful and interactive experience for all present, allowing every attendee to have their voice heard.

When: Wednesday, January 17, 2024, at 5:30 p.m.

Where: Royal Missionary Baptist Church, 4761 Luella Avenue, North Charleston, SC 29405

For more information, contact CCSD's Office of Communications at (843) 937-6303 or the Department of School Support at (843) 745-7150.

###

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all of its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 49,000 students in 88 schools and specialized programs.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools. Options include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; and military.
