Wando selects Isaiah Perrin as Head Football Coach

Mount Pleasant, SC – Wando High School is excited to announce Isaiah Perrin as the Warriors' new head football coach.

Coach Perrin has multiple years of experience as a coach at the high school level. In the fall of 2024, Perrin will draw on that experience to guide the Wando High School football program and do his best to lead the Warriors back to the playoffs.

"After a diligent search and interview process, we are excited to announce Isaiah Perrin as the next head coach here at Wando," said Principal Chas Coker. "Coach Perrin has the skills, dedication, and ability to lead our Warriors to new heights as a program and community. I am excited to see how he will transform our football program and pour into our players in both field skills and character development. I cannot wait for our community to meet this amazing football coach and man."

Before joining the Wando family, Perrin worked on the coaching staffs of Stratford High School (offensive coordinator), Wilson High School (run game coordinator and offensive line), Swansea High School (co-offensive coordinator), and Lower Richland High School (offensive line). He has also served as the head boys golf coach at Stratford High School for the past two years.

"I would like to thank the Wando administration and faculty for giving me the opportunity to join the Warrior family," said Perrin. "I'm excited to join the Mount Pleasant community and look forward to building a rich tradition of success at Wando."

Perrin earned a scholarship to play offensive line at Presbyterian College in 2007. He started on the offensive line as a true freshman for the last six games of the season for Presbyterian College's inaugural Division I season. Unfortunately, Perrin's college career was cut short due to injury.

Perrin was a standout lineman at Timberland High School in St. Stephens, SC, and his mother, Joan Perrin, has been a teacher in Berkeley County for over 20 years.

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 50,000 students in 88 schools and specialized programs.

CCSD offers a diverse portfolio of educational options and specialized programs delivered to the students of CCSD through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools and programs. Rich educational opportunities for students include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; military; dual credit; and many more.
