Media Advisory

Acceleration Schools host Fantastic Voyage Summit

Who: Media outlets are welcome and encouraged to attend.

What: Charleston County School District's (CCSD) Acceleration Schools is hosting the Fantastic Voyage Summit to showcase teaching through coaching, new methods to increase learning retention, implementing a curriculum that improves test scores, and more. This fun and informative event will allow CCSD staff to network and learn from Acceleration Schools' methods that have increased classroom effectiveness. Presenters will share successful programs from their schools and highlight their findings and best practices to other educators, principals, and coaches in attendance.

Nationally renowned speaker and acclaimed educator Brandon P. Fleming will be a featured speaker. He has received numerous awards for his work in education and social entrepreneurship, including the Education Advocate Award from the Urban League of Greater Atlanta. He was elected as a speaker for the inaugural International Day of Education at the United Nations General Assembly. Fleming has appeared on networks and shows such as CNN, Good Morning America, and The Steve Harvey Show.

When: Friday, June 9, 2023; 7:30 a.m. to 1:00 p.m.

Where: West Ashley Center of Advanced Studies, 4066 West Wildcat Boulevard, Charleston, SC 29414

For more information, contact CCSD's Office of Communications at (843) 937-6303.

###

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all of its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 49,000 students in 88 schools and specialized programs.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools. Options include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; and military.
