Media Release

Six CCSD schools will be learning virtually for two weeks

**Division of Strategy and
Communications**

Gerrita Postlewait, Ed.D.
Superintendent of Schools

Erica S. Taylor
Chief of Staff

Charleston, SC - Three Charleston County School District (CCSD) schools are temporarily shifting to all-virtual learning on Thursday, September 2, 2021, due to a rising number of reported positive COVID-19 cases. Ashley River Creative Arts Elementary, Chicora Elementary, and Murray-LaSaine Montessori and will transition to virtual instruction for two weeks, through September 16, 2021.

Charles Pinckney Elementary and Sullivan's Island Elementary shifted to virtual instruction today for two weeks (September 1-15, 2021). Early College High School went all virtual last Friday for two weeks; their temporary all-virtual learning period is scheduled to end September 10, 2021.

These decisions are based on the number of positive COVID-19 cases and the number of students quarantined as close contacts in each of the schools.

CCSD will do extensive, additional cleaning, including 100 percent disinfection fogging in each of the schools in order to allow staff members to teach remotely from their classrooms for the two-week period.

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all of its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 49,000 students in 88 schools and specialized programs.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools. Options include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; and military.
