

MOULTRIE MIDDLE SCHOOL CARPOOL INSTRUCTIONS – PICK UP

STUDENTS MAY NOT BE PICKED UP IN SCHOOL PARKING LOTS

1. During afternoon pick-up (at 3:30) carpool drivers will come into the carpool line using the Simmons Street entrance.

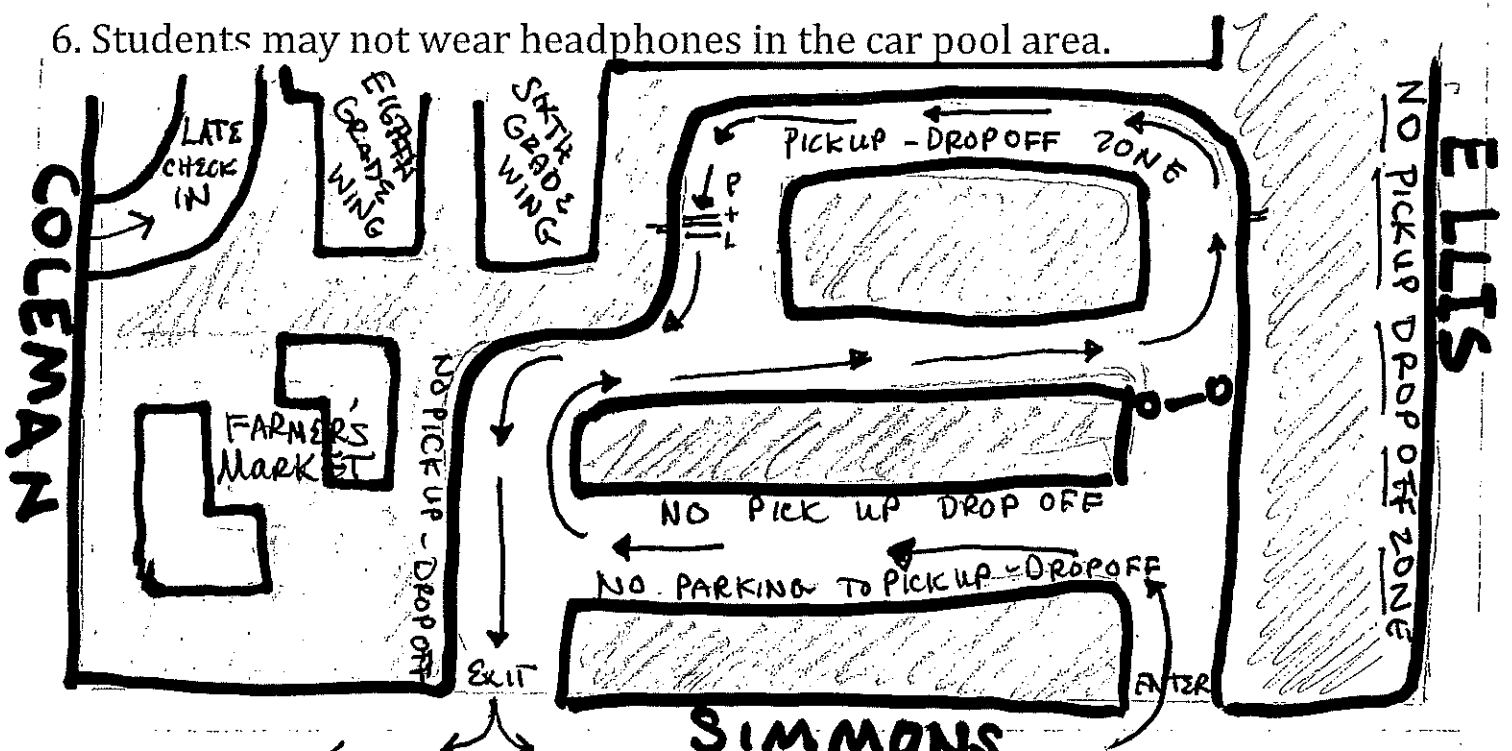

2. All cars will pull down to the sign that says, "PULL DOWN TO HERE". (This sign is on the portion of the car pool line, which is parallel to the sixth grade classroom wing of Moultrie.) If there is already someone at the sign, please line your car up behind them.

3. As cars pull out the remaining drivers will pull forward to close the gaps.

4. Students will meet their cars after the cars have pulled down to the end of the line. Drivers may not stop to pick up children before they have pulled ALL THE WAY DOWN. This will help the car pool line to move as efficiently as possible.

5. Drivers will pull out after picking up their children, and drive toward the Simmons Street Exit.

6. Students may not wear headphones in the car pool area.

MOULTRIE MIDDLE SCHOOL CARPOOL INSTRUCTIONS - DROP OFF

STUDENTS MAY NOT BE DROPPED OFF IN SCHOOL PARKING LOTS NOR IN THE FRONT OFFICE

1. During morning drop off (8am-8:30am) carpool drivers will come into the carpool line using the Simmons Street entrance.

2. All cars will pull down to the sign that says, "PULL DOWN TO HERE". (This sign is on the portion of the car pool line, which is parallel to the sixth grade classroom wing of Moultrie.) If there is already someone at the sign, please line your car up behind them.

The objective of this is to get as many cars lined up at the "PULL DOWN TO HERE" sign, so that as many children as possible are exiting their cars at one time.

3. Drivers WILL NOT PULL OUT or PASS after dropping off children, but will stay in line as the cars move in order toward the Simmons Street exit.

We have found that if drivers comply with these instructions that the car pool line is both safe and efficient.

4. Students will exit their cars and go to their grade level areas to wait for the morning bell.

5. Students may not wear headphones in the car pool area.

6. If you arrive to school after 8:30am please drop your children off at the front office on the Coleman Blvd side, where they will have to sign in.
