Summer School HS Student Handbook p.1

ATTENDANCE: Required class meeting times

Summer school covers a large amount of material in a short amount of time. Regular attendance is required to meet state and FPS requirements. Students are expected to attend all class meetings and to participate in all activities required by curriculum/teacher. Students must be present for the full class on the last day of the semester.

Virtual and Hybrid Classes: Daily Required Class Meeting Attendance M-Th as per schedule pp 5-8.

ATTENDANCE: Expectations for Academic Classes

Since life sometimes presents unforeseen obstacles, students are permitted to miss a maximum of two scheduled class meetings and are required to complete the make-up as directed by the teacher.

- ◆ BE ON TIME! All tardies exceeding 5 minutes will be rounded up to the next half hour. Tardy time will count towards the two class meetings absence maximum.
- ◆ Students are allowed up to **3 tardies** per semester. On the **4th tardy**, the student may be dropped from the course and receive a withdraw/fail.
- ◆ If a student exceeds the two-class meeting absence maximum, the student may be dropped from the course and will receive a withdraw/fail.

ATTENDANCE: Expectations for Physical Education Classes

All SS PE courses are scheduled to meet Monday—Thursday through both academic semesters with 27 class meetings. Since life sometimes presents unforeseen obstacles, students are permitted to miss a maximum of four scheduled class meetings and are required to complete the make-up as directed by the teacher.

- ◆ BE ON TIME! All tardies exceeding 5 minutes will be rounded up to the next half hour. Tardy time will count towards the four-class meetings absence maximum.
- ◆ Students are allowed up to **5 tardies**. On the **6th tardy**, the student may be dropped from the PE course and will receive a withdraw/fail.
- ◆ If a student exceeds the four-class meetings absence maximum, the student may be dropped from the PE course and will receive a withdraw/fail.

ATTENDANCE: Absence Reporting

- ◆ Absences can be reported directly to the teacher by parent through email. Please include the student in the email so the teacher can direct necessary make-up to the student.
- ◆ Absences can be reported to summer school attendance @ 701-446-2028
- ◆ The summer school office will send a daily Black Board call regarding student attendance.

ATTENDANCE: Closed Campus

Once students arrive, students will not be allowed to leave the building without permission from administration. If a student leaves the building without permission, the student will be asked to leave for the day and that time will count in the maximum allowable absence time.

BEHAVIOR: Student

Summer school differs markedly from the regular school year in that participation of students is entirely voluntary. Any student, who, through tardiness, absenteeism, poor work habits or classroom disturbance, distracts from the summer school experience instead of adding to it, will be dropped from the course and be sent home. We are all here by choice.

CELL PHONES AND ELECTRONIC DEVICES

These devices are not to be used in the classroom except at the direction of the teacher.

CHEMICAL VIOLATION

Tobacco-Alcohol-Drugs-Narcotics are strictly prohibited in the school or on school grounds, in the parking lot, or at any school sponsored activity. A violation will result in expulsion from summer school and the proper authorities will be notified.

Summer School HS Student Handbook p.2

DRESS

The Fargo School District takes pride in the appearance of our students. Student dress reflects the quality of school, conduct, and work. The school district is responsible for seeing that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any protected group. Daily dress expectations:

- Clothing with opaque fabric that covers the student's chest, sides of body, midriff, and their entire undergarments must be worn.
- Pants/Jeans or the equivalent (i.e., skirt, sweatpants, leggings, dress, or shorts) long enough to cover the student's private areas must be worn.
- Pants/Jeans or the equivalent should be secured not to reveal undergarments.
- Footwear must be worn.
- Clothing advertising or promoting the use of drugs, alcohol, tobacco, drug paraphernalia, guns, weapons or depiction of violence may not be worn.
- Vulgar clothing of any kind may not be worn.
 - ◊ Vulgar is defined as pictures, images, words, silhouettes of individuals, or sayings that depict sexually suggestive expressions or actions, profanity, obscenity, drugs, alcohol, or tobacco, or which degrade the integrity of individual groups.

FACILITIES

Help custodians maintain a clean campus. Be respectful. Be responsible.

LIBRARY

The library is the information, research, and reading center for the school. Students are encouraged to use the center for research, information retrieval, study, and leisure reading. The library is open Monday—Thursday from 8:00 - 12:00.

PARKING at South HS

All students who drive are to park in the North & South parking lots only. Bicycles are to be parked in the bike racks and locked at the North or South entrances.

STIC TIME(s) = Student + Teacher Intervention & Collaboration Time

STIC times are built into the daily/semester schedule; students can access the teacher for help/collaboration or the teacher may direct/set appointments for a student or group of students.

- * STIC times are optional unless the teacher directs the student to attend for extra help.

SCHOOL LOCKERS

Lockers are not available during the summer school session.

TEXTBOOKS & MATERIALS

Students are responsible for any school books or materials they are issued. Grades will not be released and credits will not be earned until all materials are returned or the student pays replacement/damage fees.

WEAPONS

Possession of a weapon on school property is strictly prohibited. A violation will result in the student being dropped from summer school and the proper authorities will be notified.

All summer school students are expected to review and meet expectations found in the student handbook, class syllabus, and activity handouts.

Summer School Meals and Transportation

MEALS

Meals are available to students at most summer school locations on in-person school dates.

AFJROTC

AS103

June 3 - June 7

60 hours - ½ Credit

Program is limited to 40 students. Only those students that are enrolled in the Air Force JROTC Program for the 2023/2024 school year are eligible to attend SLS.

Cadet	Item	Cost
All Cadets	Uniforms, Food, Lodging, Transportation, and Activities (Payments made to Fargo Public Schools)	\$125

This is a 5 day live-in encampment at Camp Wilderness in Park Rapids, MN. Students attending will be instructed in self-improvement, standards and expectations, welfare, and hygiene. Students learn the heritage and organizational traditions of AFJROTC, proper flag etiquette, and personal behavior. Activities include aircraft orientation flights, team building activities, kayaking, zip-lining, rock climbing, and physical fitness competitions. Parents may call (701) 446-2295 for more information.

UNIFORM ISSUE IS MANDATORY TO ATTEND SUMMER LEADERSHIP SCHOOL (SLS)

All persons must call (701) 446-2295 to arrange for uniform issue. Uniform issue appointments will not be taken until April 23. The last day for uniform issue will be May 20.

Prior to attending SLS, students must have release forms signed by parent/guardian. The forms are available online at www.fargo.k12.nd.us/afjrotc under the SLS Forms tab.

Need-based scholarships to cover the \$125 fee are available through the AFJROTC Parents Group. See the AFJROTC website (www.fargo.k12.nd.us/afjrotc) for application.

Signed forms must be turned in by May 22.

MIDDLE SCHOOL COURSES - Students going into 7th or 8th grade

Course Descriptions

Mathematics (students entering 7th or 8th grade)

Summer school mathematics will include a broad range of mathematical exercises and activities to reinforce and enhance existing mathematical skills with the goal of building upon those skills to prepare each student for their next mathematics level. Students enrolled in mathematics will participate in multiple skill activities that may include personalized Breakout Boxes, IXL practice, word problems, math facts exercises, decimals and fractions, Food Truck PBL, and solving one and two step equations.

* Mathematics will be offered on campus or virtual.

Reading (students entering 7th or 8th grade)

Summer school reading will extend student comprehension and depth of understanding of reading concepts through reading fiction and non-fiction text while focusing on picking-out story elements, making predictions, making inferences, understanding plot and character development, creative writing, and utilizing IXL practice to enhance literacy skills.

* Reading will be offered on campus or virtual.

Social Studies (students entering 7th or 8th grade)

Summer school social studies is a virtual course for students who are interested in extending their current knowledge of social studies in today's world. Students enrolled in social studies will apply content/learning within a discussion-based curriculum which involves real-world topics, current events activities, and project-based learning.

* Social Studies will only be offered as virtual.

Science (students entering 7th or 8th grade)

Summer school science is a virtual course for students who are interested in extending their knowledge of the scientific world. Students will explore phenomena within Physical Science, Life Science, and Earth Science. These concepts allow students to think like scientists and apply the Science and Engineering Practices (SEPs) to their learning. Students will be able to collect data and evidence through online labs, be creative through various project-based learning activities, and communicate and collaborate with other students across the district during this virtual course.

* Science will only be offered as virtual.

Registration Information

REGISTRATION

Classes and camps will be filled on a “first come and priority” basis. If class or camp is filled, students will be placed on a waiting list. If a student drops out of a class, the first person on the waiting list has the opportunity to move into the class. Parents will be notified if a student has been moved off the waiting list.

Registration opens February 5, 2024

Registration closes on May 22, 2024

Registration confirmations will be emailed May 29, 2024.

Classes/Camps that have fees to pay (pay when you register)

- All Sports and Music Camps (They are 100% fee funded.)
- ROTC Summer Camp
- All other academic and PE classes are free; no fees

Registration Options: Summer high school credit classes and camps

1. Register on-line by going to www.fargosummerschool.com
2. Through your school counselor who will help the student register on-line.
3. Fax your paper registration to (701) 446-2899 (fax both sides of the registration)
4. Email/PDF your paper registration to petersh1@fargo.k12.nd.us
5. Mail/drop-off registration at the Summer School Office

Agassiz—Summer School Office
Attn: Heather Peterson
1305 9th Avenue South
Fargo, ND 58103

Registration Cancellation (please do this as timely as possible)

If the student/family decide to cancel summer school, parents and student must formally withdraw the student from the course/camp before the second day of the scheduled class/camp.

1. Contact the summer school office at (701) 446-3210 or petersh1@fargo.k12.nd.us
2. Contact your school counselor who may need to rework the upcoming school year's schedule because of the withdrawal from summer school.
3. Refunds for classes or camps with fees will not be issued for late cancellations. Staffing has already been allocated based upon student enrollment.

Enrollment

Adequate student enrollment is necessary for a class to be held. The summer school office sends biweekly enrollment updates to each of the 4 high schools counseling office. Students/families will be notified if a class is being cancelled due to low enrollment so that the family has time to register for a different summer class that has adequate enrollment to support the class.

NORTH DAKOTA RESIDENT TUITION WAIVER FORM - FOR NON-FARGO STUDENTS ONLY

Fees for out-of-district students will be as follows:

Credit Classes (High School): The enrollment fee will be the same as quoted if the waiver form is used (see below).

- ◆ To be eligible to receive a waiver credit, a student must:
 - Have graduated from the 8th grade
 - Be a resident of North Dakota
 - Provide their ND state ID number (10 digit #) and their home school plant number

- ◆ Any eligible student may use the waiver form authorizing the Fargo Schools to receive any state aid available **FOR THE SUMMER ONLY**. This waiver form will allow the student to register at the same rate as district students. The form to be used is included on this page.

- ◆ Out-of-state residents will be charged a fee of \$200.00 for each one-half credit.
(This fee will also apply to out-of-district North Dakota residents who DO NOT furnish the waiver form completed by their home district.)

The waiver policy applies only to courses where credit is earned toward graduation and therefore does not apply for non-credit secondary courses or any elementary course.

The student named below intends to register for credit courses in the Fargo Public Schools' Summer School Program. The signature of an administrator representing the student's home district will permit the student to take classes for the same fee charged in-district students, and will authorize the Fargo Public Schools to request of the State Department any state aid payment available for said student for the summer of 2023 only.

It is further understood that the student will assume all costs of fees and/or supplies and that no encumbrances of any kind will be placed on the home school district of said student.
