

Dear Rising 9th - 12th Grade BCS Parents and Students,

It is hard to believe that summer is just around the corner! We are so proud of the work that your students have done this year and hope that they will have a wonderful summer. As summer is quickly approaching, we wanted to send all summer assignments in one email for your convenience.

## High School Summer Reading Information

Summer reading will be an interdisciplinary experience for our students where they will be reading and discussing the same book for both their Bible and English classes. The students will have an assignment to complete for their Bible classes over the summer and will be given an assignment in their English classes related to the same book when they return to school in August. Below you will find the link to the summer reading books and assignments which are listed by grade. Our Bible and English teachers look forward to enjoying deep discussions of these literary works when you return in August. We hope you have a wonderful summer and continue to read even more than is assigned here. If you should have any questions while completing the Bible assignment over the summer, please contact the following Bible teachers:

- Bible 9 - Mr. J.D. Bragan, [jbragan@bcsk12.org](mailto:jbragan@bcsk12.org)
