

CCS, 1st – 4th GRADE, SUMMER READING AND MATH

INCOMING 1st

Summer Reading: Read all 40 words on the Dolch PrePrimer Sight Word List. You will find the list by accessing our 1st grade website: <http://ccsfirst.weebly.com>. Students need to practice being able to instantly and confidently read words from the Sight Word List. They need to use these words in various activities during the first few weeks of school.

Summer Math: Count and identify numbers 0-20. Count by 5's and 10's to 100 and by twos to 20. Identify and name pennies, nickels, dimes, and quarters. Identify the 12 numbers on a clock and practice telling time to the hour. Name 4 seasons, 12 months, and 7 days. Practice basic math facts to 10. Practice tying shoes with 3 step directions.

INCOMING 2nd

Summer Reading: Dear Dragon: A Pen Pal Tale by Josh Funk (ISBN13#9780451472304)
Students should be prepared to retell the story.

Summer Math: Master addition facts with sums to ten and be familiar with subtraction facts. Students will take timed tests beginning with easy addition during the first few weeks of 2nd grade. Students can practice using the app Rocket Math Addition (Rocket Math, LLC).

INCOMING 3rd

Summer Reading: How to Be Cool in the Third Grade by Betsy Duffey (ISBN 9780141304663)
After reading this book over the summer, students need to be prepared to do a project the first week of school involving story elements of title, author, character, setting and summary.

Summer Math: Master addition and subtraction facts to sums of 20. Students will take timed tests the first few weeks of school.

INCOMING 4th

Summer Reading: Tales of a Fourth Grade Nothing by Judy Blume (ISBN#9780142408810)
Students need to be prepared to take an AR test, write a book report and illustrate a scene from the book in class.

Challenge Book – (optional) Secret School by Avi.

Please feel free to visit the Fourth Grade Website, ccsfourth.weebly.com.

Summer Math: This summer you will practice adding, subtracting, multiplying, and dividing. Please return the 4 math pages listed under the "Summer Reading Lists and Assignments" tab in the Summer Guide the first week of school. It is so important to have all of your math facts memorized. Flashcards are a great tool to help with memorization. The 4th grade website, ccsfourth.weebly.com, has math fact websites, as well as skill sheets. The 4th Grade website, ccsfourth.weebly.com, has wonderful math fact practice websites, as well as skill sheets.
