#### NORTHWESTERN LEHIGH SCHOOL DISTRICT Final Budget Explanation 2010-11 REVENUE FROM LOCAL SOURCES

6111 REAL ESTATE TAXES (w/o proposed millage increase)	\$20,641,636
This year's tax is based on an assessed valuation of 450,926,550 and is estimated to be 95.5% collectable, resulting in a net budgetary value per mill of \$431,226. The total millage required for the 2010-11 Budget is 50.66 mills. This represents a 1.25 mill or 2.53% increase over the prior year's millage.	
Interim Real Estate Tax is revenue from the increase in assessed valuations of local property as a result of improvements or construction to property after mailing of original tax notices. This year's estimate is based on historical collections as a percentage of the current year's assessed valuation and anticipated commercial/residential construction.	\$250,000
Public Utility Realty Tax is revenue collected and distributed by the Commonwealth of Pennsylvania pursuant to Act 66 of 1970. The allocation is based on the District's total revenues as a ratio of the total revenues of all participants, and the real estate tax, which the District could have collected if the utilities were not exempt entities. This year's estimate is based on the previous year's receipt, the District's millage rate, and the anticipated percentage of the Commonwealth's total revenues.	\$28,000
Payments in Lieu of Taxes are revenues received in lieu of taxes for property withdrawn from the tax rolls for public housing, forest lands, game lands, water conservation, or flood control. This is computed at \$ 0.20 per acre.	*\$6,000
Act 511 of 1965 allows a flat rate assessment on resident and nonresident individuals employed within the School District boundaries for the privilege of engaging in an occupation. Flat rate assessment is \$10.00 for Heidelberg, Lowhill, Lynn and Weisenberg Townships. Estimates are made using historical collection data.	\$40,000
Earned income taxes are assessed at one percent (1%) of earned income pursuant of Act 511. Earned income tax revenues are shared equally with our component municipalities resulting in an effective rate equal to 0.5% for the School District. Estimates are made using historical collection and personal income data. Earned income taxes are collected by the tax collector appointed by the School District and each municipality.	\$2,000,000
Transfer Tax is revenue collected by the County Recorder of Deeds on the value of all real estate property within the School District boundaries sold during the year. This tax is equal to 1/2% of the value of the property being sold and is paid at the time of title transfer. This year's estimate is based on historical collections and anticipated growth.	\$250,000
6154 CURRENT AMUSEMENT TAX	\$12,321
