Budget Fact Sheet Fiscal Year 2023-2024

The Board of Education of the Cheektowaga-Sloan Union Free School District on April 18, 2023 adopted the District's budget for the 2023-2024 fiscal year for presentation to qualified District voters. The proposed budget appropriations of \$40,373,761 represent an increase of \$2,218,937 over the current year's budget of \$38,154,824. The increase in total authorized spending is 5.82%.

The most significant increases in the budget appropriations were in charter schools, special educational service area and student transportation services. These increases are similar to those experienced by other public school districts and are reflective of services and related costs mandated by New York State.

The major components of the budget are:

- Salaries and benefits are by far the most significant costs in the proposed budget. They total \$23,718,269, which equates to 58.7% of the entire budget
- Contractual appropriations (which include utilities, student transportation, insurance, postage and various other expenditures) are the next largest component of the proposed budget. They total \$8,871,634, which equates to 22.0% of the budget.
- BOCES services (which include services in special education students, technical education, computer support and maintenance, administrative and various other support services) are the next largest component of the proposed budget. They total \$4,445,021, which equates to 11.0% of the budget.
- The remaining 8.3% of the proposed budget includes debt service payments (bonds for school improvement projects), materials and supplies and equipment.

The total tax levy (including taxes levied to property owners and STAR) for the District's 2023-2024 fiscal year is proposed to be \$15,538,040. As compared to the District's total tax levy in 2022-2023 of \$15,467,553, there is an increase of \$70,487 or 0.46%.

TOTAL COHORT REGENTS EXAMINATION RESULTS

A High School Cohort consists of all students who first enter grade 9 anywhere or, in the case of ungraded students with disabilities, reach their seventeenth birthday in a particular school year (July 1 - June 30). The "year" used to identify the cohort is the year in which the July 1 - December 31 dates fall. Results are reported four years after these students first enter grade 9.

Due to COVID-19 and changes to New York State testing requirements, Regents examinations in June 2020 through January 2022 were canceled, with the exception of the June 2021 Regents Examinations in ELA, Algebra I, Living Environment, and Physical Setting/Earth Science. The U.S. History & Government (Framework) June 2022 examination was also canceled. Due to the ongoing impacts of COVID-19, it may not be appropriate to compare 2018 Total Cohort Regents Examinations results with results from prior years.

** Please note: The 2018 TOTAL COHORT REGENTS EXAMINATION RESULTS do not reflect the recently refreshed list of NYSED-Approved Regents Examination Alternatives Acceptable for Meeting Requirements for a Local or Regents Diploma. As a result, Local Educational Agencies (LEAs) and individual schools that had students participate in any of the exams recently added to the list of approved alternatives may have participation and/or proficiency rates that are in the process of being updated by Department teams.
