## •FOREWORD BY MARY DALY

CHS volleyball started as an extra-mural sport where 3 dates of competition were allowed between other schools. This became so popular that, in 1972, The Minnesota State High School League approved Volleyball as the second interscholastic girls sport. When I walked into the principal's office & told him we needed to start a program, he replied, "I suppose the next thing you want are uniforms?" We got the program but not the uniforms, as the first CHS volleyball team wore their blue one-piece gym uniforms. Uniforms came later, but were shared by all the interscholastic girls teams: Volleyball, Track & Field and Badminton/Table Tennis.

The first conference Volleyball games were timed: 8 minutes or 15 points which ever came first. Thankfully that lasted for only one season. One of the first strategic challenges was the notion that a team should set up an attack rather than just sending the ball back over the net. Bump-set-spike became the mantra as the girls' skill levels rapidly developed. Multiple offensive plays evolved that increased the enjoyment and competition level for the players. The mantra then became pass-set-hit.

There were many fond memories, but the one that stands out is the team of 1975. Chaska's group of talented girl athletes developed their volleyball skills quickly and played their way into the state tournament. Team chemistry exuded heart, desire and competitiveness as they compiled a record of 17-2. The tournament was held at St. Cloud State College. A major snowstorm altered travel plans and the players were instructed to stay in town so they could make it to the bus in the morning. With the help of parents, they all made it to the bus. Not me, I was snowed in and had to walk up a hill so the bus could pick me up. Chaska fans had been fantastic all year, but really overwhelmed us as people from all over our community braved the inclement weather to support our team. The team took 3rd place and put Chaska Volleyball on the map.

Chaska Volleyball, through the efforts of its coaches, players and community support has evolved into a powerful program. I'm proud and thankful to have been a part of this great program, and look forward to it's continued success.

### Mary A. Daly

Mary Daly was the CHS Head Volleyball Coach from 1972 – 1988, conducted youth clinics 1974 – 1996 and coached Middle School & Junior teams from 1989 – 1996. Mary Daly was inducted into Chaska High School's Hall of Fame in 2008.

# Foreward by Sue Murphy

**I GRADUATED FROM CHASKA HIGH SCHOOL IN 1982. I PLAYED FOR MARY DALY ON THE VARSITY VOLLEYBALL TEAM. AS SOON AS I GRADUATED FROM HIGH SCHOOL, MARY HIRED ME TO COACH IN THE HIGH SCHOOL PROGRAM IN THE FALL OF 1982. WITHIN THAT TIME I COACHED ALL LEVELS OF PLAY: 9TH GRADE, B-SQUAD, JUNIOR VARSITY, CO-HEAD COACH WITH JUDY SONES, AND THEN EVENTUALLY THE HEAD COACH. IN 1994 THE CHASKA JUNIORS CLUB TEAM WAS FORMED AND I HAVE BEEN COACHING AND CLUB DIRECTING EVER SINCE IT'S INCEPTION.**

**IT IS REMARKABLE OF HOW MANY PAST PLAYERS I HAVE COACHED AND THEN COACHED THEIR CHILDREN. THERE CAME A TIME THAT ONCE MY LAST NIECE MAKAYLA WENZEL GRADUATED THAT I CONTEMPLATED RETIRING. AFTER MUCH SOUL SEARCHING, IT WAS NOT MY TIME AS I STILL LOVED THE GAME AND LOVED GIVING BACK TO NOT ONLY THE VOLLEYBALL PROGRAM BUT TO THE CHASKA COMMUNITY, WHICH HAS MEANT THE WORLD TO ME.**

## Lano keys St. Thomas volleyball success

Liz Lano, of Chaska, is in her final season as a spiker and defensive player for the College of St. Thomas' women's volleyball team.

After an outstanding high school sports career at Chaska High School, where she was a five-sport letter winner, earning All-Conference honors in volleyball and basketball her senior year, Lano has continued her outstanding career on the volleyball court since coming to St. Thomas.

One of Lano's main strengths is her defensive abilities.

"I'm more confident in the defensive position," Lano noted. "But, I also feel I can get the job done on the front row."

Lano is a biology major, and may double major in nursing. In her spare time, Lano enjoys jogging, racquetball, tennis and softball.

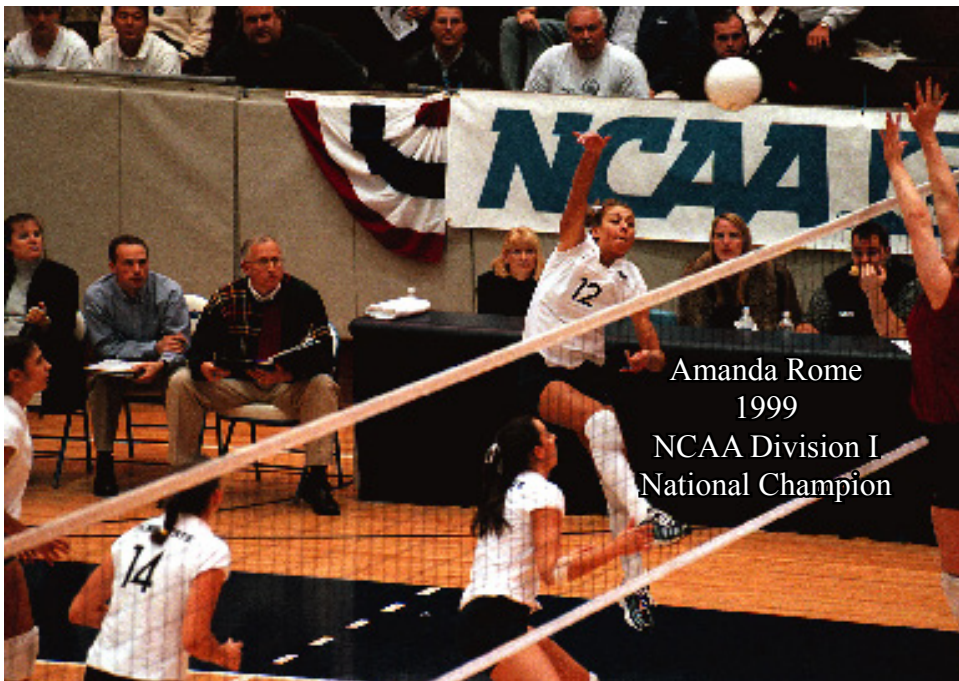

She is the daughter of Mr. and Mrs. Bernard Lano, of rural Chaska.

# The Mother Of Chaska Volleyball

For Sue Murphy, coaching volleyball isn't just her job, it's her life. And it's been a part of her life for as long as she can remember. In fact, along with playing four years in high school (graduating in '82), she has been coaching for 33 years. And over those years, Sue has been able to coach many talented girls and has brought them to six state championships. And Chaska volleyball seems to be positioned for another very soon.

"I love coaching for two reasons really," Sue Murphy says. "The first being working with such great kids year in and year out, we've always had such great athletes taking part in our program. The second is community pride. I grew up in this community and have seen it grow a lot over the years and it is very exciting for me to see how our community supports us."

"I love coaching with Sue," assistant coach Chuck Zemek says. "She has so much passion for the game and it's so fun to watch. And it's even more fun to see the girls put that passion that Sue gives them into action." During the 33 years Sue Murphy has been coaching, 18 of those years, Zemek has been along for the ride. They have been a very successful pair. And having been together so long, it makes it easier for the pair to read each other. They know what each other wants without explanation.

"It's that brother/sister relationship that we've developed," Coach Zemek continues. "You can trust them, and you can irritate them."

Sue Murphy's coaching has continued to develop and her techniques and styles tend to grow as she matures as a coach. However, she knows what she wants from her teams and the goals they can achieve.

"What I really ask for from my teams is uncompromised effort and consistency. Volleyball is supposed to be a safe place where players can leave all the stress of the day behind, work hard and enjoy being with their teammates," Murphy says.

At home, Sue was blessed with three boys of her own. "I always like to think of the girls as the daughters I never had," Sue shares. "I've shared some very great memories with all of them, some really tough times, and everything in between. I really enjoy seeing former players as women, living their lives, enjoying their careers, and raising their own families." This volleyball season in particular is very special to Murphy. It not only brings her another opportunity to coach and to shape young women, but it gives her a very big opportunity to take this community back to the state tournament.

Last year Chaska fell just short of the state tournament. However, having majority of the same players back, it should be another great season for the Hawks. "It's really great to know that we should be knocking on the door again," Sue states.

This said, the group has 7 senior starters and as the season progresses Sue can start to feel the pressure. And her goal is to challenge the girls to keep them at their level and thinking about working harder and having more fun than any other program out there. And as the pressure rises, Sue must keep the girls calm and focused.

Junior Megan Purdy can definitely feel the pressure of the season rising.

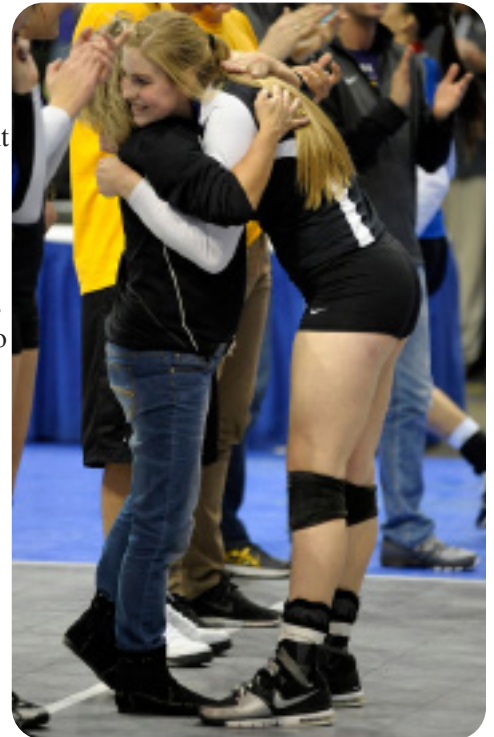

"People don't say we can go to state, they say we are," she says. But Murphy says that as long as the Hawks can focus on their goal, and keep working hard, it shouldn't be too far out of reach. And Sue has done her best throughout all her years of coaching of keeping the program strong and united.

Junior captain Keena Seiffert states, "Chaska Volleyball means family. There's nothing else to it."

Sue has helped each and every one of her girls over the years to not only grow as a player, but as a person. Senior captain Lindsay Snuggerud says, "Sue has pushed me to get better and better every day. I look up to her. She is a true role model. She's taught me leadership skills and how to be a good caring person and I am very thankful for that."

"Could I describe Sue in one word? Wow, that's difficult. So many great words pop in my head," Snuggerud continues. "How about successful?"

Not only does Murphy push girls to be the best and help them work towards success, she makes them all better people. Coach Sue Murphy is considered somewhat of a hero for Chaska Volleyball. She is and will be remembered as something great.

Since Chaska Volleyball became a varsity sport in 1972; as a school, program, and community Chaska has much to boast about. As a premier high school in the southwest metro of Minneapolis, Chaska has had 21 National Merit Scholars in the past 4 years. The Chaska Volleyball Program has amassed a legacy of 791 wins, 275 losses, and 12 ties. The program has also captured 6 big school State Championships, one more title and Chaska will tie the record for the most titles won in volleyball with Robbinsdale Armstrong and Tracy/Milroy/Balaton.

**17 Conference Championships, 14 State Tournament Appearances, 42 Individual All-State Awards, 5 Metro Player of the Year Awards, 21 State All-Tournament Awards and to note the All-Tournament Team started in the MSHSL State Volleyball Tournament in 1993, and 147 All-Conference Awards over the years are simply only the numbers of Chaska Volleyball. It is the memories, solid relationships built, and the life lessons that are learned that Chaska truly defines itself as the best.**

Chaska also has a strong reputation for producing outstanding collegiate volleyball players. Over the years Chaska has prepared 50 athletes to play collegiate volleyball-19 NCAA Division 1, 19 Division II, 1 NAIA, and 2 NJCAA. Chaska Alumni have won 4 NCAA National Championships (1 with Penn State, and 3 with Concordia-St. Paul), won 5 All-American Awards (Amanda Konetchy-3 times, Rachael Schmiegl, and Amber Trustman-Woolsey), and 1 AVCA Freshman of the Year Award (Amanda Konetchy). This is an impressive feat considering all of these players have at one time been through Chaska Volleyball's feeder program Chaska Juniors which is a community based club. There are currently 7 active athletes competing in collegiate volleyball from Chaska-Kelly Riesgraf (Wisconsin-Eau Claire), Kylie Seiffert (Jamestown College), Christine Bielski (Augustana College), Ellen Degler (SW Minnesota State), Amanda Konetchy (Concordia-St. Paul), Shelby Peterson (St. Cloud State), and Bekah Saugen (Winona State).

In the past 40 years as a program and nearly 800 wins, 6 State Championships, 50 collegiate alumni, and countless awards all around it is without a doubt Chaska Volleyball can take claim as a program with a legacy Untouched.
