

The Virtue of the Month is Courtesy

This month our virtue of the week is courtesy. Courtesy is treating others with respect and recognizing that we are all created in God's image and likeness. Courtesy is a virtue that we can practice in our words. By using a simple "please", "thank you", or "you're welcome", we are showing the other person that they have dignity and that we respect them. Sometimes, courtesy sounds like not saying anything. When we let someone finish what they're saying without interrupting them, we are giving them the message that we think their ideas have value. Listening well is a way we show courtesy and respect to others.

Dear Jesus, help me today to see. Fill my heart with Your Holy Spirit so that I can see others the way You see them. Amen.
