### **Activity Letter ~ April 1, 2023**

Dear Friends,

I am so happy to announce the date for A Night in the Country 2023. I hope everyone can return for another great night of fun and community!

The Northwestern Recreation Commission welcomes you to be a part of our community event, A Night in the Country. It would be a pleasure to have your business or organization to join our 24th year of celebrating "A Night in the Country". It is great to have those of you back who attended previously and exciting to include new faces, organizations, and businesses for this year.

Enclosed with this letter is an application for your business or organization. Forms are to be returned no later than July 24, 2023. **Spaces will be reserved on a first come first serve basis.** It is important that you fill out the application completely so we know what activities you would like to do and how much space needs to be allotted. Confirmation of space, location, and passes will be mailed out no later than August 7, 2023.

There is a \$100.00 space deposit fee for all Business/Organizations and a \$50.00 space deposit fee for Non Profit Groups to hold your reservation. Businesses will then owe 20% of their gross sales and non-profit organizations will owe 10% of their gross sales. The deposit fee will be the flat fee for nonprofit groups that would like to hand out information and not sell any items or run an activity. The deposit fee for your space shall not be deducted from your gross sale percentage. The gross sale percentage is due at the end of the evening or within 10 days following the event. Please make all checks payable to Northwestern Recreation Commission.

Any business or organization that will be participating in our event will be responsible for their own setup, tents, electric/generators, garbage containers, etc. to make your activity a success. **Space size should include tent tie downs, awnings, etc.** Please note that all generators **must** be covered to limit the noise. **For safety reasons we need vendors to be set up and vehicles moved by 3:15 p.m. the day of the event.**

Please mail application and money to:
