

Job Title: Computer Science and Mathematics Instructor

Location: 602 7th Ave NE, Hickory, NC 28601

Job Type: Full-Time/Part-Time

About Us:

University Christian High School is a vibrant and nurturing community committed to providing a Christ-centered education that inspires students to achieve excellence in academics, moral character, and servant leadership. As we strive for educational excellence, we are seeking a passionate and dedicated Computer Science and Mathematics Instructor to join our team.

Position Overview:

We are seeking a dynamic individual to join our faculty as a Computer Science and Mathematics Instructor. The ideal candidate will have a strong background in both computer science and mathematics, as well as a commitment to fostering a supportive and inclusive learning environment grounded in Christian principles.

Key Responsibilities:

- Develop and deliver engaging and rigorous computer science and mathematics curriculum.
- Utilize a variety of instructional strategies to meet the diverse learning needs of students.
- Create a positive and inclusive classroom environment where students feel valued and supported.
- Foster critical thinking, problem-solving, and analytical skills through hands-on projects and activities.
- Provide timely and constructive feedback to students to support their academic growth and development.
- Collaborate with colleagues to integrate technology across the curriculum and enhance teaching and learning.
- Participate in professional development opportunities to stay current with best practices in computer science and mathematics education.

Qualifications:

- Bachelor's degree or higher in computer science, mathematics, or a related field. Master's degree preferred.
- Teaching experience in computer science and mathematics at the high school level preferred.
- Strong knowledge of computer science concepts, programming languages, and mathematical principles.
- Excellent communication and interpersonal skills.
- Commitment to integrating Christian values into teaching and learning.
- Ability to work collaboratively with colleagues, students, and parents.

Benefits:

- Competitive salary commensurate with experience and qualifications.
- Comprehensive benefits package including health insurance, retirement plan, and tuition assistance for dependents.
- Professional development opportunities to support continuous growth and learning.

How to Apply:

Interested candidates should submit a cover letter, resume, and contact information for three professional references to uchs@uchigh.com. Please indicate "Computer Science and Mathematics Instructor" in the subject line.

Application Deadline:

Applications will be reviewed on a rolling basis until the position is filled.

University Christian High School is an equal opportunity employer and does not discriminate on the basis of race, color, national origin, sex, disability, or age. We celebrate diversity and are committed to creating an inclusive environment for all employees and students.
