Madeira Schools Foundation's 2024 Distinguished Award Recipients

The Madeira Schools Foundation (MSF) established its Distinguished Awards program to honor and recognize alumni, citizens and staff members who have made significant contributions to society, become respectable leaders, and are known as positive role models. This year's recipients were recognized at the Foundation's annual luncheon on May 9, 2024. MSF Distinguished Awards were presented to Steve Kramer (Friend of the Foundation Award), Betsy Henning '95 (Distinguished Alumni Award), and Amy Hugentobler (Distinguished Staff Award). In addition to being honored at the luncheon, an engraved nameplate for each honoree is permanently affixed to the Distinguished Award Plaque in the main hallway at Madeira High School, and an engraved commemorative paving brick is also placed in the "Walk of Fame" entrance to Romano Court.

The Foundation also donated upwards of \$25,000 to graduating seniors and alumni to continue their education. This year's scholarship recipients were also honored at the May 9 luncheon: Emma Flanagan (Patrick Wood Scholar); Lily Zoeckler (Nina Bechtel Knox Scholar); Corbett Alexander (Steve Kramer Scholarship); Kennedy Cunningham, Katie Dunn, Shelby Miller, Keira O'Cull, Nathaniel Wagner (John D. Rahe Scholars); Benjamin Solinski (Matthew Simpson Art Scholar); Mateo Laverde Guzman Ramirez (Entrepreneur of the Year); Sloane Wagner (Russell Emery Scholar); Tanner Temar (Vinnie Englert Award Scholar); Caleb Wischer (A Promise to Care Award by Firestone Kenwood); Finn McCarthy (Chris Flanagan Memorial Scholar); Sophie Suever (William Koehler Family Memorial Scholar); Rachel Gaffney (Bob Westermeyer Memorial Scholar); and Sophie Graham (Adrick Family Scholar).
