

LEARN

STUDENT SUPPORT SERVICES

Bridgette Gordon-Hickey, bghickey@learn.k12.ct.us

LEARN's Student Support Services Hub is designed to empower and guide students on their educational journey. From academic resources to personal development initiatives, our comprehensive suite of services ensures that each student receives the support they need to succeed. The LEARN Student Support Services team consists of experts from a variety of fields, including psychiatry, psychology, nursing, special education, early childhood education, speech and language pathology, and occupational and physical therapy.

MISSION

As a regional educational service center, we:

- pursue equitable and just systems of education,
- build the skills and knowledge of the educational community, and
- design innovative, efficient, and effective programs, services, and solutions.

VISION

To ensure that each child has access to high-quality public education and opportunities through equitable systems of education, support, and service.

We are committed to forging a better future for each learner.
