Please help your child come to school prepared for outdoor recess as we continue to waffle between cooler spring like days and warmer days hinting at summer. We will attempt to be outdoors for recess as often as possible. This sometimes includes wet or muddy conditions. Please encourage your child to avoid areas that are wet or muddy.

The calendar is quite full over the next couple of weeks. 6th graders will visit Kimpton on May 13 & 17. A previous Parent Square listed the teams for specific dates. 5th graders will go to the Soap Box Derby over the next two weeks. Teachers have communicated about this. Awards ceremonies and field day will take place during the last week of school. Teachers will also communicate about these items. The Talent Show will be on May 17.

Please help your child look towards the last days of school as a chance to "finish strong!"

Enjoy the poetry submissions from team 61 included in the remainder of the newsletter. We hope that you all have a safe, happy and enjoyable summer. We wish our 6th graders a wonderful transition to middle school and look forward to seeing our 5th graders next year!

Please email or call us if we can ever be of assistance or answer any questions.

### Play Ball- by Max Kaludy

I'm so excited I will tell you why it's  
Finally baseball season

We are ready for the umpire call  
he raises his voice and says play ball

We sit back to watch it's a great beginning  
Our team has scored in the very first inning.

Sodas, cotton candy, hot dogs, cracker jacks,  
we came for baseball but enjoy the snacks

The game is over. Was lots of fun, the best  
part about it? The home team won.

The ball flies by nearly missing my face  
I hope i can hit it and make it to home base

I clench my bat firmly and spread my legs  
apart  
One, two, three bam the ball hits the bat

Nearly spooking my heart i race to the plate  
I almost missed it.

But i make it safely  
So smooth and swift.

### The Race- Nadia Alelew

I felt the waves slap across my face  
As i sped through the water  
Determined to win first place  
I felt the water splashing  
The waves crashing  
My heart beating  
Quickly swimming  
I'm close to winning

### It's all about the goal By: Ava McCafferty

It's all about the goal  
Don't lose control  
Let the ball roll  
Ball meets foot  
Foot meets ball  
Ball meets goal  
It's all about the goal  
Don't lose control  
It's all about the goal!

### Cleats on! By Analis Hidalgo Poem

Cleats are on,  
the air is breezy  
Soccer ball comes flying,  
This should be easy,  
We pass and pass,  
My teammate scores,  
The whole crowd  
screams GOAL!  
We kick and score,  
The points go up,  
My team has won,  
We have the cup!

### The kiwi who fell down the hill- By Molly O'brien

As i speed down the hill like a 747 zoom zoom,  
I saw my bestie fall down the hill with a crack.  
Her leg was bent, The sky was dark, The lights flashed,  
They were red and blue, And went wee woo, wee woo,  
Bye bye, kiwi poo.

**Sports Poem- by Spencer Whitacre**

Riding on brooms  
 Listen to tunes  
 There's the seeker  
 That stole the speaker  
 The beater  
 The keeper  
 4 balls  
 Be careful not to get mauled  
 The snitch  
 Fell in the ditch  
 The bludger  
 That will knock you  
 Off you broom  
 If your not careful that might be you  
 The Quaffle  
 to score a goal  
 Thi is quidditch  
 Better not fall  
 If you do you'll have a broken arm  
 Over 100 feet in the air might not want to stare  
 At the ball unless it's your job to beat it away  
 If not then you have a bad stay  
 There have not been casualties yet  
 But i wouldn't want to bet  
 You could be the first  
 Would not what that  
 But don't bring a hat

**Night dancing- By: Chey Mahon**

I dance around all the time for my sister,  
 I like to dance and sing all night such fun,  
 I spin around like a big twister,  
 One day my little foster sister even spun,  
 I was so proud, like an award I just won,  
 I have such a loyal cheerleader,  
 I sometimes let Myla dance with me,  
 Not one person can stop the smile on her face,  
 I know for a fact she's having fun.

**T.E.A.M by Elliana McCullough**

Even tho we fought,  
 I had a thought.  
 When we work as a team,  
 We practice together,sweat  
 And stained we get along.  
 We hit the ball back and forth  
 Over the net and in the forest  
 The only thing i love is playing volleyball with you  
 Thank you for doing the best you can do!

**Rink Rivalry: A Hockey Rhyme  
 By Hunter Sachs**

In rinks of ice, where legends shine,  
 Beneath the lights, the game defines,  
 Sticks clash, the puck in swift design,  
 Teams may bicker and whine.  
  
 From blue lines drawn, to goalposts fine,  
 Each player's heart, a burning sign,  
 In every stride, a story entwined,  
 Teams may bicker and whine.  
  
 But in the end, on that frozen line,  
 Victory's taste, oh so divine,  
 In hockey's realm, where dreams align,  
 Teams may bicker and whine.

**Our Win -By:Mason Sutor**

Were on the field.  
 Team vs Team.  
 Pass the ball.  
 Do not fall.  
 Shoot it score.  
 Two v Two.  
 We're through.  
 We're down by two.  
 We may have lost.  
 But I lost with you.  
  
 We're back again.  
 On the field.  
 Shooting scoring.  
 People falling.  
 We're up by two.  
 That team is through.  
 Yes we won.  
 But this season.  
 Has just begun.

**Baseball Poem  
 Riley Root**

Bat hits ball  
 Around the bases  
 Starts at spring  
 Ends at fall  
 Ball hits bat  
 And end of home  
 Leave the base  
 Losers Lose,  
 winners win

**The Run  
 By Keelin Bailey**

The snap  
 The crack  
 The bang my bat vibrates  
  
 I see the bright yellow of the ball  
 As it whips throw the air  
 I saw my enemy (the girl on the other team)  
  
 As she raised her mit through the air  
 Her arm as fast as lightning  
 The ball flew  
 Faster!  
 Faster!  
 Faster!  
  
 The ball fell short.  
 My heart beat. Was I out?  
 The other team raced for the ball but I was faster  
  
 The snap of the wind hit my face  
 My foot hit the base!  
 I won the game!

**Good Old Fashioned Football  
 By Kaleb Lukas**

Good old fashioned football.  
 Better than  
 Volleyball,  
 Basketball,  
 Baseball.  
 Football, one of the best sports overall  
 One where you need to be ready to brawl.  
 But don't dare fall or the other team will go L.O.L.

**THE CHUDLEY CANNONS ARE THE GOAT  
 BY MICHAEL T. JAWORSKE**

Seven broomsticks in the air  
 Fans waving their hands like they just don't care  
 The best player is Dragomir Gorgovitch  
 Boo Yah, Galvin Gudgeon just caught the snitch  
  
 The game is over, we've just won  
 I've got to say it was a lot of fun  
 Now we've won, we all gloat  
 The Chudley Cannons are the goat!

**Should they get a trophy**

By: Mohamed Elmulaiki  
 Dear Lakeview news team. This is why they should get a participation trophy. Because some people have to drive super long . And might not get anything. So that's why they should get a participation trophy. So then they will be happy.

**Winning Nationals by Raelynn Janci**

It's all about the ball, the net and the score. You gotta work hard for getting up to nationals. Next thing you know you are all over ball-er.tv. Over 1,000 people are watching you play your game.  
 Time flies by just like butterflies next thing you know you are going three sets, and you win nationals! The feeling of winning is amazing. Cheering, screaming. Winning feels great!

**May Counselors Corner- Mrs. DiEugenio- 5th grade and Mrs. Smith- 6th grade**

*It is hard to believe it is time to wrap up another school year! We've thoroughly enjoyed getting to know and work with our awesome 6th-graders who will be moving up to their next adventure-Kimpton Middle School, and our 5th-graders who have done an amazing job navigating all the challenges of mastering a new building! We are so proud of our students!*

*Our sixth-graders, in classroom guidance, will be writing letters to our incoming 5th graders and providing advice on how to be successful at Lakeview. They will also be sharing feelings they are having as they move on to middle school and setting some personal goals for themselves. Our 5th-graders will be wrapping up the year by reflecting on their experiences and setting goals for 6th-grade. Read more about the importance of reflection at The Counselor Connection that we send out monthly.*

*Thank you again for sharing your children with us! Rest and enjoy your summer and please let them know that they will always hold a special place in our hearts.*

### The Game Winner by Gabe Patterson

I dash down the court  
 The basketball pounding like a boxer punching a  
 punching bag  
 I look at the clock  
 5 seconds left  
 Down 2 points  
 5...4...3...2...1...  
 I step back  
 I shoot the ball from 3 point range  
*SWISH!!!!*  
 The crowd goes crazy  
 We won the game!!!

### Basketball Sports Poem

By Hailey Klouse

*Swish*

When I dribble the ball on the floor  
 It sounds like a slamming door  
 We're down by two points  
 And I can feel it in my joints  
 With the buzzer counting down  
 I try to block out the sound  
 The crowd screaming  
 The earth spinning  
 The hoop glistening  
 5 seconds left on the clock  
 I wish I could make it stop  
 I shoot my shot  
 beyond the 3 point line the ball goes in  
 And *Swish*.

### Together Forever By: Ava Kuczma

Teams may bicker and whine,  
 But they will stay together for a long time.  
 Although it may not seem like it will happen  
 soon  
 But you might even go together to the  
 moon.  
 But whatever happens on the court is their  
 true sport.  
 It might not be very pretty.  
 But that's what makes it really witty.  
 That's the definition of togetherness.

### Game Day

By Leah Blough

There we were,  
 ready to play.  
 The most important game  
 they'd say.  
 It all comes down  
 to how we play tonight,  
 my teammates and I  
 ready to fight.  
 As we warm up  
 and put on our gear,  
 the crowds cheering was  
 all we could hear.  
 As I step  
 onto the soft grass,  
 I hoped my teammates  
 would make a good pass.  
 Once we heard  
 the whistle blow,  
 the players would know  
 it's time to go.  
 They all start kicking the soccer ball,  
 I run towards the ball  
 and hope not to fall.

### Soccer is life

By Tyler Renard

Soccer is life.  
 Soccer is passion.  
 Soccer is happiness.  
 Soccer is love.  
 Soccer is team.  
 Soccer is sportsmanship.  
 Soccer brings people together.  
 Soccer, is life.

### Micheal Jordan poem Zayvion Ahqkeem

I've missed more than 9,000 shots in my career  
 I've lost almost 300 games  
 26 times I've been trusted to take game winning shot  
 And I've missed  
 I've failed over and over and over again in my life and  
 that is why I bicker and succeed  
 I have never gave up on trying  
 I kept trying over and over again  
 That's how I became an NBA champ.

### The big day

by: Remy Dinardi-Sowers

There was a boy, and he loved baseball, he  
 loves to hit and loves when the ball goes in  
 His mitt, he thinks it's fun when he runs. but  
 one day he old his coach that he was gonna  
 hit a homerun, and he's gonna have lots of  
 Fun. but his coach didn't believe him, so one  
 day it was his turn to bat 1 strike, 2 strike, and  
 there the boy was sad that he had 2 strikes, but  
 then he hit the ball so far he hit a homerun! And  
 his coach was proud of him.

### Soccer Motivation

By Aubrey Bennett

Get out of your mind!  
 It's time to grind!  
 You're in it,  
 You're ready to win it!  
 You shouldn't fear,  
 All you have to do is persevere.

Your team has your back.  
 When you want to stay,  
 or turn back.  
 Your team will come through.  
 I promise they will stay  
 with you.

This is your day,  
 so get ready to play!  
 This is your moment!  
 Go ahead and own it!

### USA Gymnastics by Ella Haehlen

When We come to practice, we are ready to tumble and flip.  
 We put on chalk for bars, and we talk while we do it  
 When we do competitions, I imagine myself wearing the **GOLD**  
 I do bars, and when I swing on the bars, I feel like I might go to Mars  
 Anytime I walk into the gym through the doors, I see what event I love, Floor.  
 I do the Balance Beam, but sometimes I feel like a little flea, just falling off a lot.  
 All of us, even others who do this sport, will laugh, dance, and even cry.  
 As long as we show up to our practices, and will always try our hardest.  
 We will always try our best, and then, we rest when we feel tired, and then we get back up, and keep  
 doing our best.
