**FOR IMMEDIATE RELEASE:**

**Lafayette School Corp. Board of Trustees appoints Steve Bultinck to fill vacant seat**

The Lafayette School Corp. Board of Trustees appointed Steve Bultinck to fill the vacant seat on the board.

The seat became available when former board member Allison McKay resigned after moving out of the district. The board chose Bultinck based on his past experience; he previously served on the LSC board for more than 14 years.

An active volunteer, Bultinck has worked with Lafayette Adult Resource Academy (LARA), the Tippecanoe County Public Library, the Christmas Day Committee, and Friends of Downtown, where he is a co-founder of Mosey Down Main Street.

“Steve Bultinck returning to the Lafayette School Board of Trustees brings a wide range of experience and practical knowledge that will be invaluable to our organization,” says board president Dr. Robert Stwalley. “Steve is an incredible voice for our community in so many wonderful ways. It will be a pleasure to work with him again for the benefit of our community's school children.”

Bultinck will complete the term for the current District D, which expires in December 2026.
