FOR IMMEDIATE RELEASE:

Lafayette School Corporation Celebrates Third Annual #BronchoPride Day Wednesday, May 8, 2024

The Lafayette School Corporation is celebrating public education – Broncho public education, to be specific – with the Third Annual #BronchoPride Day, Wednesday, May 8.

#BronchoPride Day is a chance for present, former and future Bronchos to share their stories of success and school spirit with social media blasts. These positive stories of Broncho accomplishments are shared with the community as a way of celebrating all the opportunities the Lafayette School Corp. has to offer.

This year, the emphasis includes the hashtag #OnceABronchoAlwaysABroncho, with stories from teachers and staff who are alumni and have followed their career path back to their alma mater.

Students from Melanie Gilbert’s marketing class at Jefferson High School were, once again, instrumental in helping plan the event.

Any and all testimonials about #BronchoPride are welcome and will be shared on our social media platforms:

- Facebook (@LafayetteSchoolCorporation)
- Twitter (@LSC_Lafayette)
- Instagram (@LafayetteSchoolCorporation)
- Threads (@lafayetteschoolcorporation)

On Wednesday, May 8, any LSC school would welcome visitors to see how they show their #BronchoPride.
