Unified Sports

Participate in a sports program that promotes social inclusion between individuals with and without intellectual disabilities through sport. Unified Sports “was inspired by a simple principle: playing together is a quick path to friendship and understanding.”

For more information, speak with Ms. Bustos, or any of our PE teachers.

School Clubs

We want you to be involved in as many opportunities and activities as possible. There are a variety of school clubs available for you to learn about, join, and connect with others. Listen to announcements every day, as there will be notifications for club meetings and events. Additionally, we host a Club Rush multiple times during the year for you to learn about the many clubs we have on campus!

If you don't find a club that interests you...*start your own club!*

See Mr. Cerda in room 117 for more information.

ID Cards and Hall Passes

Student ID cards are digital and provided through the 5-Star Students app. Any valid hall passes for students to be out of the classroom will also be provided through 5-Star Students. Download the app here:

Student Weekly Planner

Spring Semester 2024

From the Student Section of the Student-Staff-Parent Compact:

I know that my education is important and that I am the one responsible for my own success. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- Attend school every day on time and ready to learn
- Review my class work with my parent(s) weekly
- Return completed work on time
- Follow school rules and be responsible for my own behavior at all times
- Ask for help when needed
- Show respect to self and others at all times

We believe you will be successful in all your classes if you...

- stay organized
- do your work (and turn it in)
- check ATLAS/grades every day
- ask questions when you need help

Our teachers and staff are here to help you be successful. While we will help you as much as possible, we will not do the work for you – that is your responsibility.

Ideas for Planner Use:

- Record details of any homework assignments (include due dates)
- Write down upcoming quiz and test dates, or project/essay due dates
- Make lists of items you need to remember to bring on a particular day
- Note any questions you have for teachers about assignments or content
- Reminders to speak with a teacher, counselor, or other staff member
- Keep track of deadlines for applications
- Write down your sports practice/game schedule, rehearsals, performances, or your club meeting information
- When you finish reading a book, write down the title and author on the day you completed it
- Look over your planner at the beginning of each week, so you know what is coming up
