FOOD SERVICE STAFF SPOTLIGHT

Amelia Sears- Carberry Staff Retiree

Amelia joined our team in 2009 as a part time staff member.

She became full time in 2012.

Amelia worked in the Shadow Butte kitchen for one year.

She moved to the Carberry kitchen where she has been the remainder of her career in our district.

She worked mainly serving food when part time and began both cooking and serving this current year.

Most of the time she has been in the dish room, her very favorite spot to work she said.

Amelia said, "Just me and the dishes, no worries".

Amelia's favorite thing to serve may be the mega mini chicken bites. "They make me feel like I'm a rock star. LOL", she said.

Her retirement plans are to garden, craft, spend time with her fur kids, and become an even crazier chicken lady.

Amelia will be sorely missed. She has been a wonderful teammate!
