

Carberry Elementary School

**Emmett School District
Greg Alexander, Principal**

Highlights:

- ★ Please see the [May newsletter](#) for Carberry's May information.
- ★ We have finished our after-school Math program and look forward to getting the ISAT and ISIP testing data back to see how the students in the program did. Many ISIP scores went up but final outcomes are not yet calculated.
- ★ Book Buddies, Tuesday afternoons will be done on May 14th

Mr. Alexander presenting the Instructional Support Person of the Year at the Annual Teacher of the Year Banquet. He also presented the Friend of Education Award to Debbie Fuhrmann who volunteers 5 days a week at Carberry. It was a great ceremony. Amelia Sears and Laree Rowley were also honored that night as they are retiring.

A couple of students that spend time with Mr. Anderson were showing off what they have learned but also the excitement that they are able to participate in something that they love while at school. Bringing their interest in being here higher.

Mrs. Arnett with a student who chose her to have lunch with his punch cards. So much fun seeing how students grow.

- ★ Prior to ISAT and ISIP testing we lined the hallways with students and had the 5th grade walk through and get high 5's to get pumped up to do their ISAT Science test which is looking really good, well above the state average. We then did the same thing for 3rd and 4th grade before their ISATs and for 1st grade and Kindergarten before their ISIP. Each time lining the halls and playing the song Eye of the Tiger over the PA system.
- ★ We had 300+ at our April 18th NASA and Math Title Night. Please see our school newsletter and Facebook page for pictures. We are constantly posting.

Enrollments (426)

<u>Grade</u>	<u>Enrolled</u>	<u>Attendance 2/5/24 - 3/8/24</u>
<u>Kindergarten</u>	<u>48</u>	<u>92.8% up from 93.6%</u>
