

JOB POSTING: Girls Basketball Coach

Arborbrook Christian Academy is currently in search of two individuals to fill the roles of Girls Basketball Coaches for the upcoming season, both for the middle school and Varsity girls programs. This seasonal opportunity spans from October through February but would likely include some off season workouts that can run year round.

Responsibilities for this position encompass a wide range of duties, including, but not limited to, practice coordination, player training, game scheduling (in conjunction with the Athletic Director), and communication with both players and parents. Moreover, coaches are expected to embody the core values and principles of Arborbrook Christian Academy, serving as exemplary representatives of our school. Coaches are also asked to help lead fundraising efforts for their team and plan and lead team building and service activities.

This is a stipend-based position, with practices typically scheduled after school Monday through Thursday as well as Fridays and Saturdays as needed. If you are passionate about basketball and eager to positively impact young athletes, we encourage you to reach out to our Athletic Director, Derek Durst, at derek.durst@arborbrook.org to express your interest.
