

How to check your grades on Infinite Campus

First, go to www.fmsd.org, then scroll down to the yellow box that says Student/Parent Portal.

Click on that yellow box, then click on CAMPUS STUDENT.

Log in to Campus Parent

Initials then six-digit birthdate

For example, mine would be lb112676

Sometimes, you have to use the entire year. For example, mine could be lb11261976

Your Student Username should be your 130***** lunch code, the same numbers used in your email password.

Your password should be one of two options. It is either your initials followed by your six-digit birthdate, OR it's your initials followed by your birthdate but you type out the entire year. Try both to see if they work.

Example one: lb112676

Example two: lb11261976
