MPOs 1A/1B	<p>Report pre/post-test reading and math scores for migratory students that received MEP-funded services during the 2023-24 performance period. If reading and math instruction was not provided, or provided remotely, indicate students that received instruction, but do not enter pre/ post-test scores. If a student has a pretest score or a post-test score but not both, please enter that score in TX-NGS to allow for a count of students assessed for the Texas MEP evaluation. <i>(LEAs may use the optional Assessment Tracking Form or similar document to collect/report data in TX-NGS.)</i></p>
MPO 1C	<p>Report pre/post-test Project SMART scores for migratory students that received instruction in 2023-24 using Project SMART (in-person only). If Project SMART was provided remotely, do not enter pre/post-test scores. If a student has a pretest score or a post-test score but not both, please enter that score in TX-NGS to allow for a count of students assessed for the Texas MEP evaluation. <i>(LEAs may use the optional Assessment Tracking Form or similar document to collect/report data in TX-NGS.)</i></p>
MPO 2B	<p>Report pre/post-test ABB scores for migratory children that received ABB instruction in 2023-24 (in-person only). If ABB was provided remotely, do not enter pre/post-test scores. If a child has a pretest score or a post-test score but not both, please enter that score in TX-NGS to allow for a count of students assessed for the Texas MEP evaluation. <i>(LEAs may use the optional Assessment Tracking Form or similar document to collect/report data in TX-NGS.)</i></p>
