

Caregiver's Guide to Registering for PowerSchool

Welcome to PowerSchool! This guide will walk you through the process of registering as a caregiver user on PowerSchool, where you can access your child's academic information, attendance records, grades, and more

Step 1: Accessing the PowerSchool Registration Page

- 1.) Open your web browser and navigate to the PowerSchool registration page.
<https://southhadley.powerschool.com/public/>
- 2.) Click on the "Create Account" tab to the right of "Sign In", then click the blue Create Account Button in the bottom right corner.

Step 2: Entering Registration Information

- 1.) Fill out the required registration information accurately. To complete this step you will need to have your child's access ID and access password. You can get this information by visiting your child's school with a form of identification. This is necessary to help safeguard your child's information.

Step 3: Verifying Your Email Address

- 1.) After completing the registration form, check your email inbox for a verification email from PowerSchool.
- 2.) Open the email and click on the verification link provided. This will confirm your email address and activate your PowerSchool account.

Step 4: Logging In to PowerSchool

- 1.) Return to the PowerSchool login page.
- 2.) Enter the username and password you created during registration.
- 3.) Click "Sign In" to access your PowerSchool account.

Step 5: Exploring PowerSchool Features

- 1.) Take some time to explore the various features and functionalities of PowerSchool.
- 2.) Common features include:
 - Viewing your child's current grades and assignments
 - Checking attendance records

Conclusion

Congratulations! You have successfully registered for PowerSchool and linked your child(ren) to your account. If you have any questions or encounter any issues, don't hesitate to reach out to your child's school for assistance.
