

## **Athletic Liaison Report 5/16/24**

**Softball:** Softball finished their season with a 6-13 record this season. Our team was very young this year and lacked a lot of varsity experience. With the season not going the way we hoped, our girls gained valuable experience at the varsity level. The softball youth program is currently working on increasing participation. With some new volunteers being involved in the youth program we hope to see some exciting things in the years to come.

**Baseball:** Baseball currently has a regular season record of 12-7. They have their last regular season game today against Oley Valley. Baseball finished 6<sup>th</sup> in the district standings and will play at Lancaster Catholic on Monday for the first round of district playoffs. We are also happy to report that we were able to finish a successful JV baseball season for the first time in several years. With the help of Rob King for stepping up as a coach and the flexibility of our varsity team to share one field there were many younger baseball players who had an opportunity to play.

**Boys' Tennis:** Our boys' tennis team finished the regular season with a 10-3 regular season record. The team achieved the following in the playoffs.

Team League Playoff Qualifiers

Team District Qualifiers

League Single Flights (Cole Stoltzfus, Hayden Winey, Baily Scott, and Nolan Stoltzfus.

League Double Flights (Cole Stoltzfus, Hayden Winey, Baily Scott, Nolan Stoltzfus, Lincoln Graham and Jackson Hershey)

District Singles Round 2 (Cole Stoltzfus)

District Doubles Semi Finalists (Cole Stoltzfus and Hayden Winey)

Congratulations to Boys tennis who had a very successful season.

**Track and Field Co-op:** We had a great first year with our track and field co-op with LMH. We had 6 high school participants and 12 JH participants. We are excited to continue our co-op with LMH next track season.

We had three individuals who qualified for districts playoffs that will be participating at Shippensburg University this Friday. The following individuals who are competing at districts are...

Jonah Zink: Qualified for the 1600 and 3200 meter

Caleigh Vincent: Qualified for the 1600 and 3200 meter and will be part of the 4 x 800 meter relay team that qualified

Aubrey Ressler: Qualified for the 1600 and 3200 meter and will be part of the 4 x 800 meter relay team that qualified
