457(b) Plan Enrollment Instructions

RAMS Retirement Asset Management Services | Region 10 ESC | TCG ADMINISTRATORS™

These instructions are for creating and accessing a traditional 457(b) account and/or a Roth 457(b) account.

TRADITIONAL 457(b): This plan automatically deducts part of your salary into the retirement savings plan **before** taxes are taken out. The money grows tax-deferred until it's withdrawn—then the taxes come due.

ROTH 457(b): This plan automatically deducts part of your salary into the retirement savings plan **after** taxes are taken out. The interest and earnings withdrawn from a Roth account are tax-free if the distribution is considered "qualified."

REMINDER: You can have both a traditional and a Roth 457(b)—and contribute to one or both at the same time—if allowed by your plan.

2. Click on the **Enroll** button.
