Timeline for DLI Progression
Kindergarten - High School at TSD

**Truscott Elementary**
What to expect in a 50/50 dual language immersion program:
- English-speaking teacher uses half of the instruction day to teach English language arts and portions of social studies and science, as well as, other subjects of the curriculum.
- Spanish-speaking teacher uses the other half of the day to teach Spanish literacy and math at the grade-appropriate level of the Colorado State Standards.

**Bill Reed Middle School & Lucile Erwin**
Dual Language Advance Spanish Language:
- Students will express their own thoughts, interact with other speakers of the language, and understand oral and written messages in Spanish.
- The Dual Language Advanced Spanish Language courses are a continuation of the Thompson School District Dual Language Program. These required courses focus on the development of language, literacy, and cultural competencies at the Intermediate level of proficiency.

**Loveland High & Thompson Valley**
Dual Language Advanced Spanish 4 & 5
- 9th grade 2024/25 school year students will take one advanced Spanish class at high school: *Dual Language Advanced Spanish 4*.
- 10th grade, 2025-2026, students will enroll in *Dual Language Advanced Spanish Level 5 AP* (Advanced Placement), where there is a possibility they can earn college credit depending on their score.
- The Colorado Seal of Bilingualism which goes on the student's transcript is also available. The Seal of Bilingualism is a credential recognized in 49 states.

**Cottonwood Plains Elementary**
How does the program work?
- The Dual Language two teacher team plan and work together to deliver the TSD Curriculum.
- Students learn academic content in Spanish 50% of the time. (Spanish literacy, math, calendar).
- Students learn academic content in English 50% of the time. (English literacy, science, social studies, calendar in English to reinforce Spanish).

**Bill Reed Middle School & Lucile Erwin**
Dual Language Social Studies
- This course focuses on the history, culture, and government of various specific world societies in North, Central, and South America. Students develop skills used in the social studies disciplines. Specific content aligns with state standards for the student's grade level.
- The Dual Language Social Studies II in Spanish course is a continuation of the Thompson School District Dual Language Program. This required course provides a greater understanding of social studies inquiry, including history, geography, civics and government, and economics within the study of the Western Hemisphere.
