

### 100 Day Plan

## Northeast Middle School Listening Session

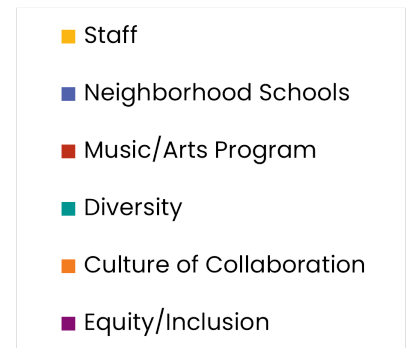

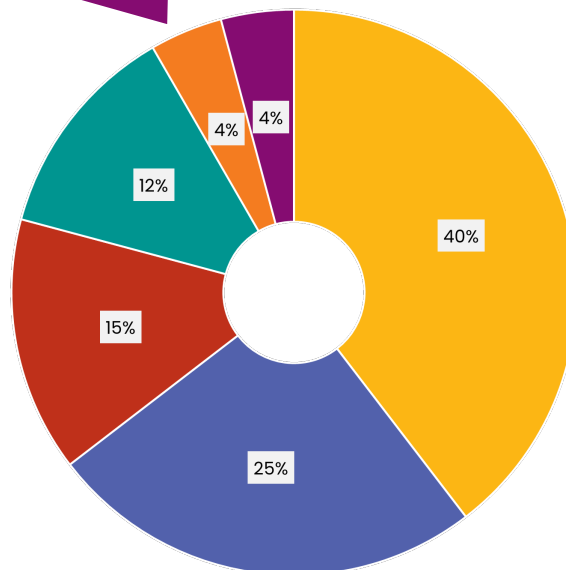

What excites  
you about  
Minneapolis  
Public  
Schools?

We have strong teachers and staff  
– they go above and beyond,  
connecting with all kids, caring for  
all kids and meeting their needs.

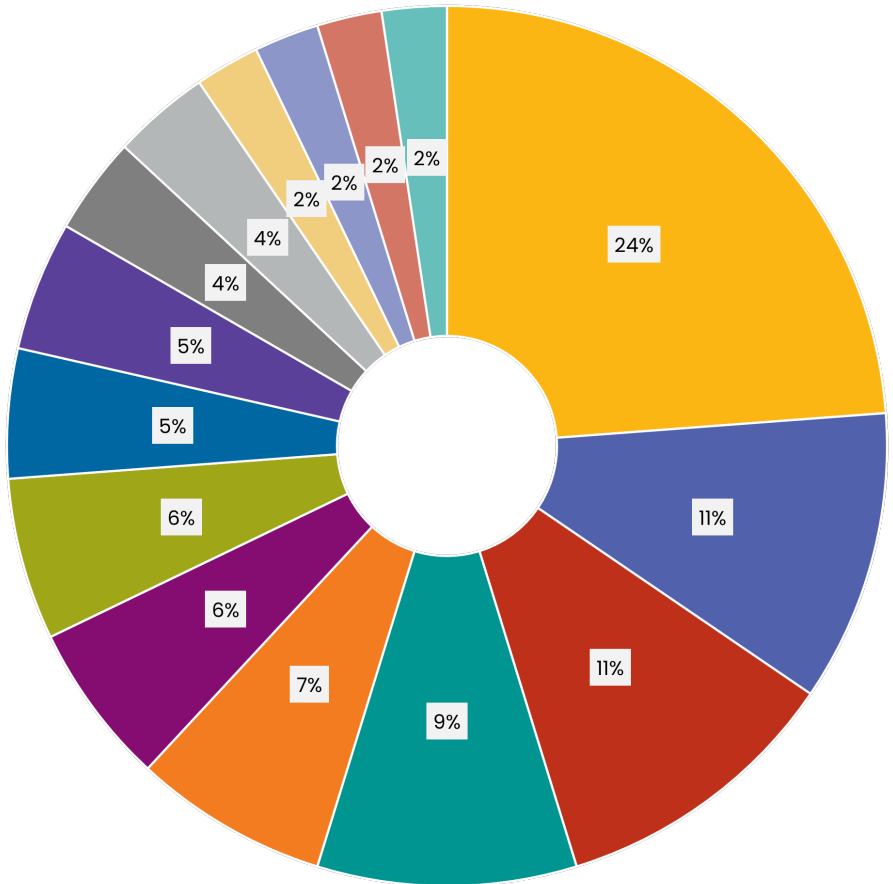

Our school communities are tight and  
ingrained in our neighborhoods. They  
are the hub of many activities and a  
place of considerable community.

What is one  
thing working  
well in  
Minneapolis  
Public  
Schools?

### Transparency about MPS funds and how it works

**Invest in Pre-k. This creates a pipeline directly to MPS. These families are more likely to stick around and be successful in MPS**

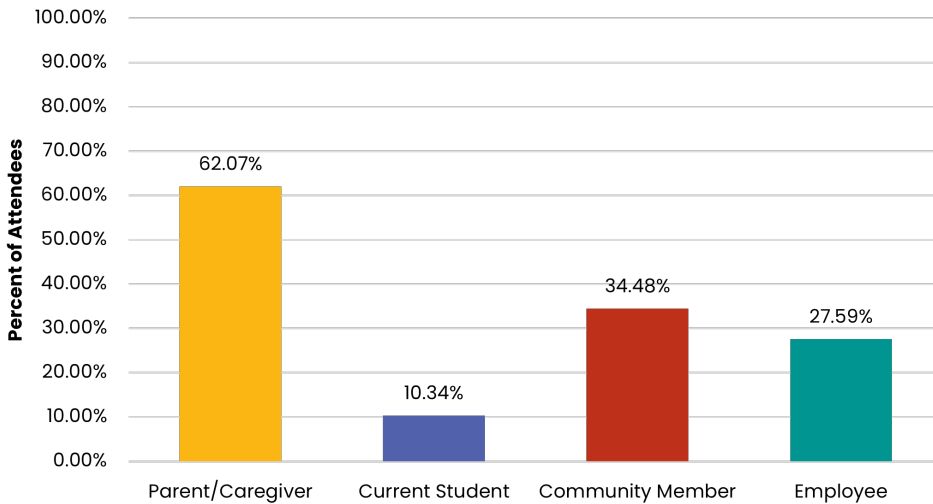

**More access to ESPs and counselors, it's hard to find someone to talk to in school**

**Even if it is bad news, we want/need to know! Full and timely disclosure and communication, timely**
