Child Abuse Reporting

The Governing Board recognizes that the district has a responsibility to protect students by facilitating the prompt reporting of known and suspected incidents of child abuse and neglect. The Superintendent or designee shall establish regulations for use by District employees in identifying and reporting such incidents.

District employees are obligated to report all known or suspected incidents of child abuse and neglect in accordance with law, Board policy and procedure. Employees shall not investigate any suspected incidents but rather shall fully cooperate with agencies responsible for reporting, investigating and prosecuting cases of child abuse and neglect.
