This Week's Spotlight on the academy!

“Summer Social—Picnic on

the playground” straight after school last Friday was a huge success and it was so lovely to see current and new parents (from September 2024) enjoying, Cream Teas, Ice Creams, more treats, games and buying books. The event raised over £300 and this will enable us to further develop the outdoor areas at the front of the academy, working with the DIY store, Wickes. The intention is to develop outdoor seating zones with planters to support the children learning outside and/or having opportunities to eat outside in the summer months.

Once again, I wish to thank everyone for their amazing support in our community event.

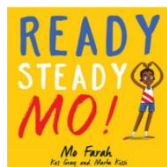

“Reception Brighton Sea Life Centre Trip”

What a wonderful time had by all Reception, the many parent helpers and staff on this wonderful trip to the Sea Life Centre, in Brighton. The children were so excited about their coach journey, seeing the sea and beach and experiencing the wonders of the sea life. The enthusiasm and excitement in the learning since the trip is a true example of why we feel such trips are so important in enriching the experiences for the children.

Congratulations to all our Weekly Celebration Winners

Care Respect Independence Perseverance Success

Reception: Nightingale, Hawking and Einstein **Year 1:** M McLaren, O Collins, P Artt and **Year 2:** N Nayi, D Oluwayemi and E Talbot-Duvall

Love Reading

From Olympic gold medal winner Mo Farah and bestselling author of Oi Frog! , Kes Gray, comes a fun and action-packed picture book that will get kids reading, and running too! So, what are you waiting for?

Parking

We continue to remind parents and carers to please park responsibly and respectfully at drop-off and collection times. As the weather improves, we encourage the children to walk, scoot or ride to, and back from, school. Scooters and bikes (with helmets) can be left safely at the front of the academy in the shelter.
