- The northernmost doors (#10, #11, #12) in the back of the building will be open for students until **8:15 a.m.** Door #12 is also near the elevator access to the upper level of Discovery.
- There will be a bypass lane (left lane) running parallel to the drop-off/pick-up lane behind Discovery, in the back parking lot. Please use caution and minimize speed while using this lane to bypass others dropping off students and yield to pedestrians in crosswalk.
