

PCPS Happenings

PPS / PES

PPS continues to hold special celebrations for 100% attendance to end our school year strong. While students cannot always be present due to illness, it's great to celebrate when they are all together!

PPS will be celebrating Multicultural Awareness Day with themed days, discussions about places visited, map activities, and a special visit from Senor Morgan's PHS Spanish classes!

PPS & PES are both finding great success with their One Book, One School program. Students at each school and all staff members are reading the same book and participating in trivia games!

PES has been working through their end of the year SOL assessments and we are very proud of how well students are adjusting to any necessary schedule changes.

Ms. Ferris continues to work hard with students - especially our 4th graders who recently performed Broadway hits using their voices and recorders!

PES Cultural Night was a huge success with an extra thanks to Ms. Windham, Senor Ramirez, and Ms. Parker for helping to make the event a success. We loved having families come out and thank all of the staff for joining as well!

Follow us! @poquosonschools

PMS / PHS

Does your family have an 8th grader? Be sure to mark your calendar for the 8th Grade Send-Off Parade to celebrate their transition to high school. June 4th from 5-6pm in the PHS drop-off loop.

PMS wishes all band and chorus students, including directors Mr. Lawson and Mrs. Wade, the best of luck at assessments on May 31st at Kings Dominion! Want to see their performances? Join the Chorus Concert on May 23rd and the Band Concert on May 30th!

Congrats to the PMS May Golden Bulls: Crystal Dean (6th), Trenton Bradley (7th), and Kaysen Claiborne (8th)! We also congratulate our PHS Senior of the Month - Grayden Sizemore!

Both PMS & PHS Jazz bands received superior ratings at regional assessments. We are so proud of our music program and the talent our students exhibit time and time again!

Congratulations to the cast, crew, and director, Mrs. Baldwin, for four spectacular shows of "Mamma Mia!"

Students have been culminating their academic year with important assessments such as CTE, AP, and SOL testing. Best wishes as these conclude!

PHS spring sports teams are on the brink of regional playoffs, slated to commence next week. Anticipation is high as our athletes prepare to vie for regional titles across multiples sports.

District

We wish our Odyssey of the Mind teams the best of luck as they compete in World Finals in Iowa, May 21-24! You continue to amaze us and we are so proud!

We are immensely grateful to our PTO groups for their tireless dedication and thoughtful efforts during Staff Appreciation Week and throughout the entire year. Your unwavering support and generosity make a significant impact on our school community, and we deeply appreciate all that you do.

Having recently celebrated Staff Appreciation Week, we extend another heartfelt gratitude to all our incredible staff - teachers, administrators, paraprofessionals, office staff, nurses, transportation, maintenance, cafeteria workers, student services, IT department, SROs, SSOs, and custodial workers - for their unwavering dedication and hard work. Your collective efforts and commitment to excellence make our school division a nurturing and successful environment for our students.
