STUDENT

Pupil Health Services and Requirements

If the parent or guardian files with the Principal of the school an affidavit provided by the District or a written statement to the effect that a medical examination or immunization is contrary to his/her personal beliefs, such a student shall be exempt from the following activities:

- A. Hearing tests
- B. Vision tests
- C. Physical examinations
- D. Any lessons, or talks on health, blood, germs, physicals, etc.
- E. Health demonstrations or projects
- F. Immunizations
- G. Anything that pertains to the above

During any of the above activities, the student should be sent to a pre-arranged assignment.
